# AT MARIETTA HIGH SCHOOL . . .

YOU have been a vivacious and a responsible student.

YOU have been a leader endeavoring to support all facets of democracy.

YOU have been a teacher striving to direct us toward a pursuit of knowledge and to instill in us the traits of humor, honesty, endurance, and fair play.

YOU have created in us: trust, respect, loyalty, and love — for you as well as for the school.

YOU have set a precedent with your life that enables you to demand the best from us.

YOU will long be remembered for these qualities by the graduating class of 1960. For this reason, we dedicate this, the 1960 *Olympian* to YOU,

## MRS. CLARA HOWELL

PRINCIPAL'S OFFICE

**B**ecause Marietta High School was established to develop you, it has acquired one of the best administrations and faculties in the state to instruct you. This administration teaches and guides you by working with you. Its members help you to develop self-discipline rather than demoralization — ambition rather than self-complacency.

ADMINISTRATION

Emmett Hobbs, a contractor, is Chairman of the Board of Education. A. D. McGaughey and Dempsey Medford are active members of this important administrative staff. Outstanding citizens such as these are responsible for the Board's great success.

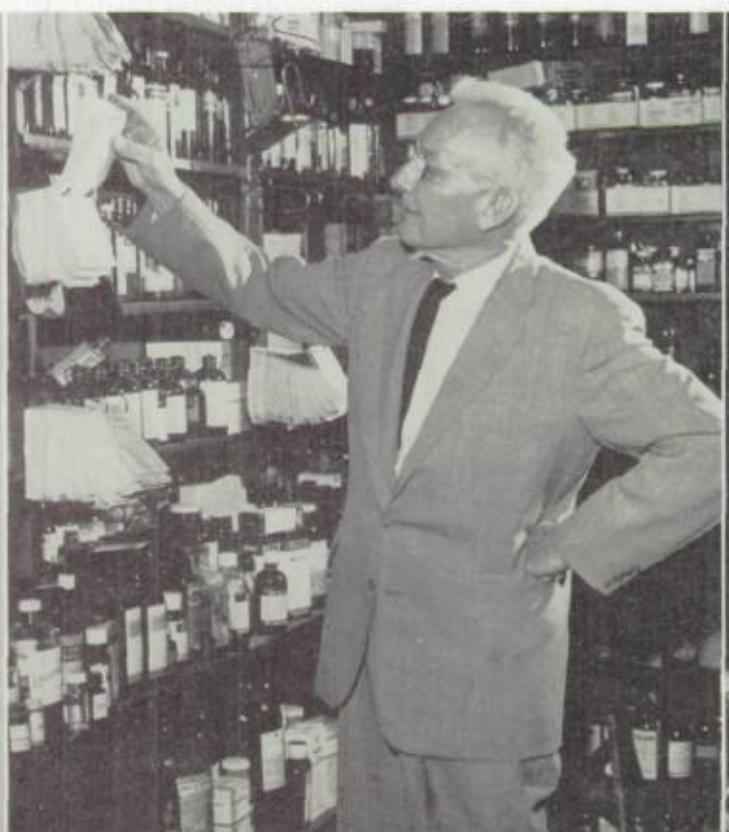

The Board of Education meets once each month in order to review and plan school activities.

## ADMINISTRATION

In every organization there must be a guiding force. At Marietta High School this force is functional through the Administrative Staff—six members of the Board of Education, the Superintendent and Assistant Superintendent of Education, the school Principal and Assistant Principal. This staff of dedicated and interested community leaders enlists the efforts and interests of other leading citizens in working toward the goal of improved education for all students who attend the Marietta schools.

The administrative staff establishes our needs at MHS and the needs of our elementary schools as its main concern. Fulfillment of these needs at MHS is accomplished through the provisions of qualified teachers, the three courses of study, the extra-curricular program, the additions of new equipment, new facilities, and library books.

J. F. Shaw, Dr. E. D. Williams, and B. C. Yates have unselfishly contributed a great deal of time and effort in fulfilling their responsibilities as active members of the Board of Education.

Mrs. Fred Swain, the assistant Superintendent of Schools, has been a leading educator at MHS for eleven years. Mr. Loyd Cox is principal of MHS and is responsible for overall maintenance and activities of the school.

## LEADS STAFF

Regardless of the large number of school activities this year, the administration was well represented at each; the school dances were attended by some, the athletic contests were supported by many, and the chapel programs on Tuesday mornings were patronized by still others.

The 1959-60 Staff was complemented by several new members this year when Mr. Kemp accepted the position as Superintendent of City Schools, Mrs. Swain vacated her principalship of MHS to assist Mr. Kemp, and when Mr. Cox fulfilled the job of principal with Mr. Griffin assisting him.

Marietta High School recognized that the abilities and desires of both the new and returning staff members were invested in the school itself and that through these investments we are to be better prepared citizens.

Mr. Henry Kemp, a native of Marietta, has proved himself to be a capable leader in his new capacity as superintendent.

Mr. George Griffin, Assistant Principal, and Mrs. Jesse L. Wall, the school's secretary, have worked diligently to bring every advantage to our students.

## FACULTY ACTIVITIES

The 1959-60 faculty of Marietta High School constitutes a group of individuals who are versatile, congenial, and vivacious. These persons practice good citizenship, uphold democratic ideals, and integrate fun and humor into their work.

MHS teachers are dedicated to the profession of teaching and to their particular work, but their dedication is displayed in as many ways as there are teachers. In-Service and Summer Institutes of study occupy a great deal of the time among various teachers: Miss Griffith studied this past summer at Brigham Young University in Provo, Utah while Mr. William Stabler began work on his doctorate at Peabody; Mrs. Margaret Deck spent part of this year taking an In-Service course in education while Mr. Strozier, Mrs. Howell, Miss Lance, and Miss Outlaw attended Emory University for graduate work. Travel consumed the summer for some few teachers, all of whom were able to enrich their classes this year as a result of their travels: namely, Mrs. Carolyn Morris, who did special

## ARE VARIED . . .

study in Paris, France; PX. Mrs. Charles Oliphant, who toured the West; and Mr. William Carter who spent his vacation in California.

More common among the teachers is the development of hobbies and special interests which parallel their professions in several instances. Mrs. Higgins, Mrs. Webb, and Mrs. White chose homemaking as their main interest outside their professions; Mrs. Wolfe, Mrs. Sergeant, and Mrs. Douglass enjoy activities which include their families.

A number of teachers work with students outside the school to supplement academic training. This is especially true of Mr. McKeown in band, Coaches Hipsher, J. L. Jones, Johnson, Theodocian, and Anderson who work during their summer vacation as tutor, camp director, and directors of clinics for athletics, respectively. Miss Newsom also worked at a camp but in a different capacity—director of stage productions—a definite aid in directing plays in the school year.

## UNIQUE AND . . .

In addition to summer activities teachers are often engaged in school sponsored programs during the school year: the Misses Gibbs, Gable, Smith, Emmert, and Mrs. James Snyder were faithful workers at sports matches; Mr. John Cavileer accepted the responsibility of directing the student-operated concession stands. Mr. J. A. Jones, Miss Dilbeck, Mrs. Lee, Mrs. Vickrey, and Miss Nolen spent many hours working with school clubs which they sponsor.

Even though the teaching profession requires that much time be spent in the field, every member of the MHS faculty exemplifies versatility in combining work with leisure. Bridge, reading, cooking, sewing, gardening, community concerts, stage productions, horseback riding, water skiing, tennis, boating, and other activities are favorite pastimes in which the teachers

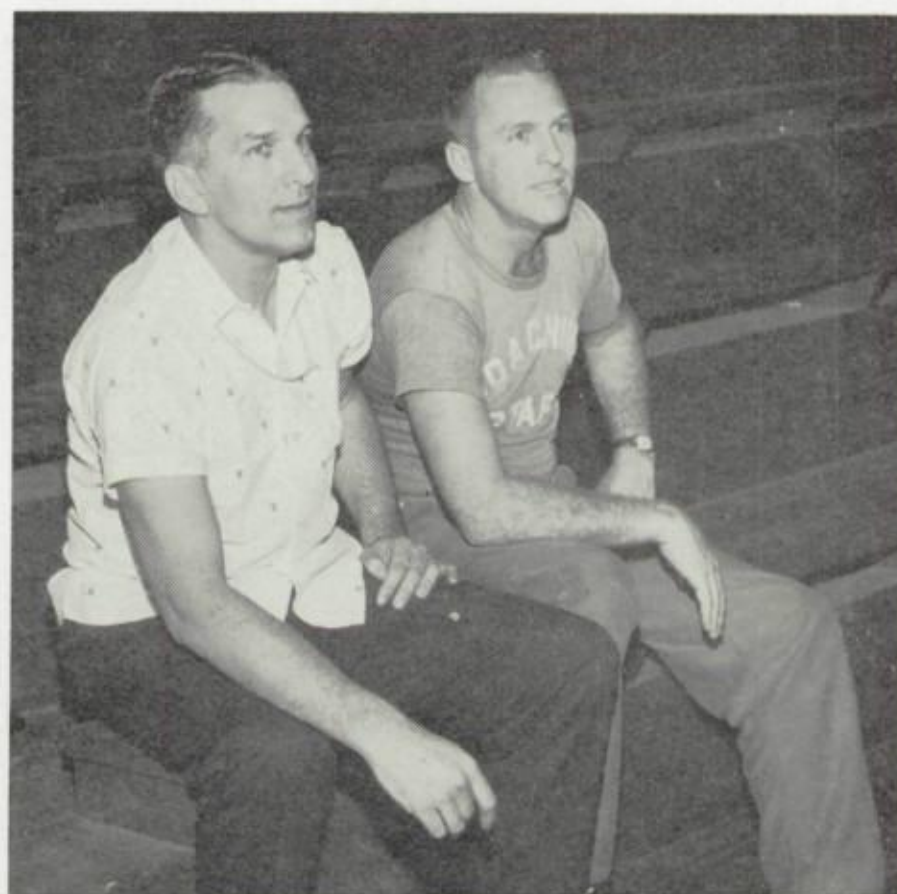

## INTERESTING

are active.

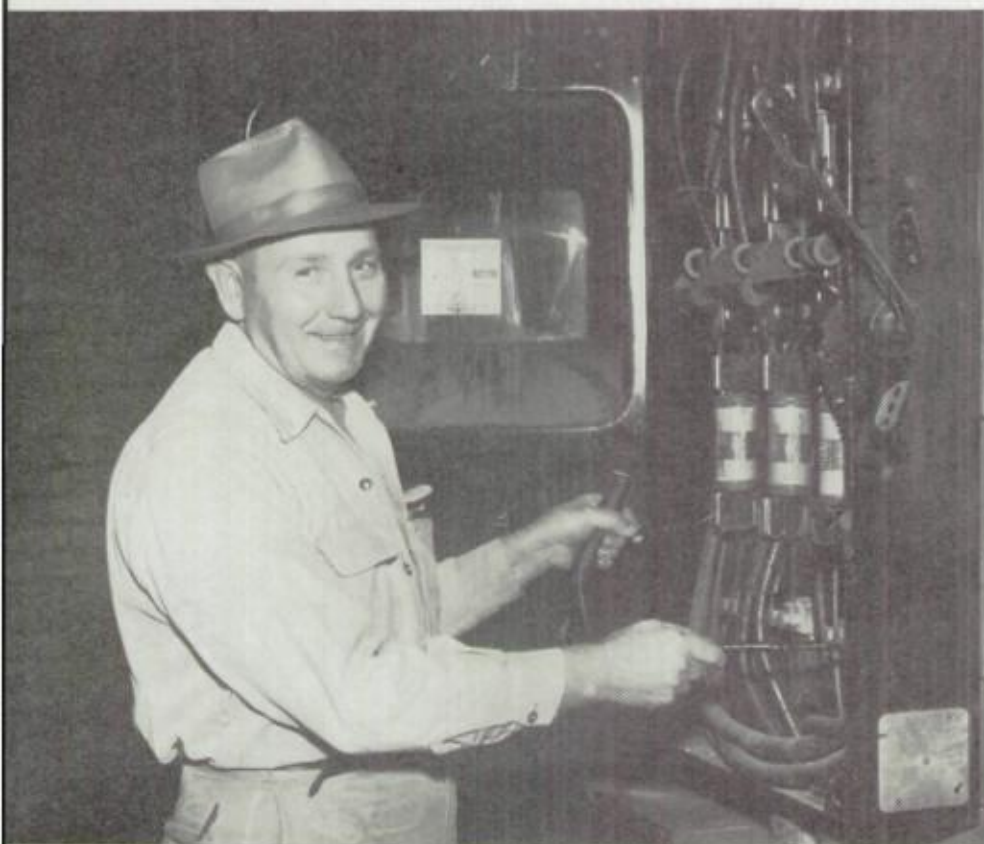

For these traits among our faculty the students at Marietta High School accept and appreciate the guidance, training, and knowledge given to us through daily school activities. Moreover, we take pride in the fact that our faculty is not a group of intellectuals who render only knowledge to us but that they are aware of our needs as complete individuals; aware that we need to be a part of the community; that we need to develop in ourselves the ability to adjust to new and critical situations which will face us in the near future. We agree with the Evaluation Committee of the Southern Accredited Association of Secondary Schools when it said, "We find that Marietta High School has an excellent faculty."

The workers in the Antley and Winn Street lunchrooms do their best to prepare nourishing meals.

## MAINTENANCE

The maintenance staff, though an integral part of the school, works behind the scenes to assure us of a smoothly working plant. It is they who see to such things as lunches, proper lighting, workable heaters, and clean rooms.

This year, Mrs. Hogan was in charge of both lunchrooms. She worked unceasingly to plan and oversee the preparing of well balanced meals and to keep the kitchens in grade 'A' order.

Mr. Beasley was in charge of the mechanical maintenance such as heat and lights. He also assisted in setting up special materials for chapel and other events like the Valentine Ball and Homecoming. Mr. Beasley supervises the entire work maintenance staff.

Marietta High School depends on and appreciates the work done by the maintenance staff.

Mrs. Hogan, superintendent of the lunchrooms, makes out next week's menu. Mrs. Gravit and an assistant of the janitorial staff keep equipment in order.

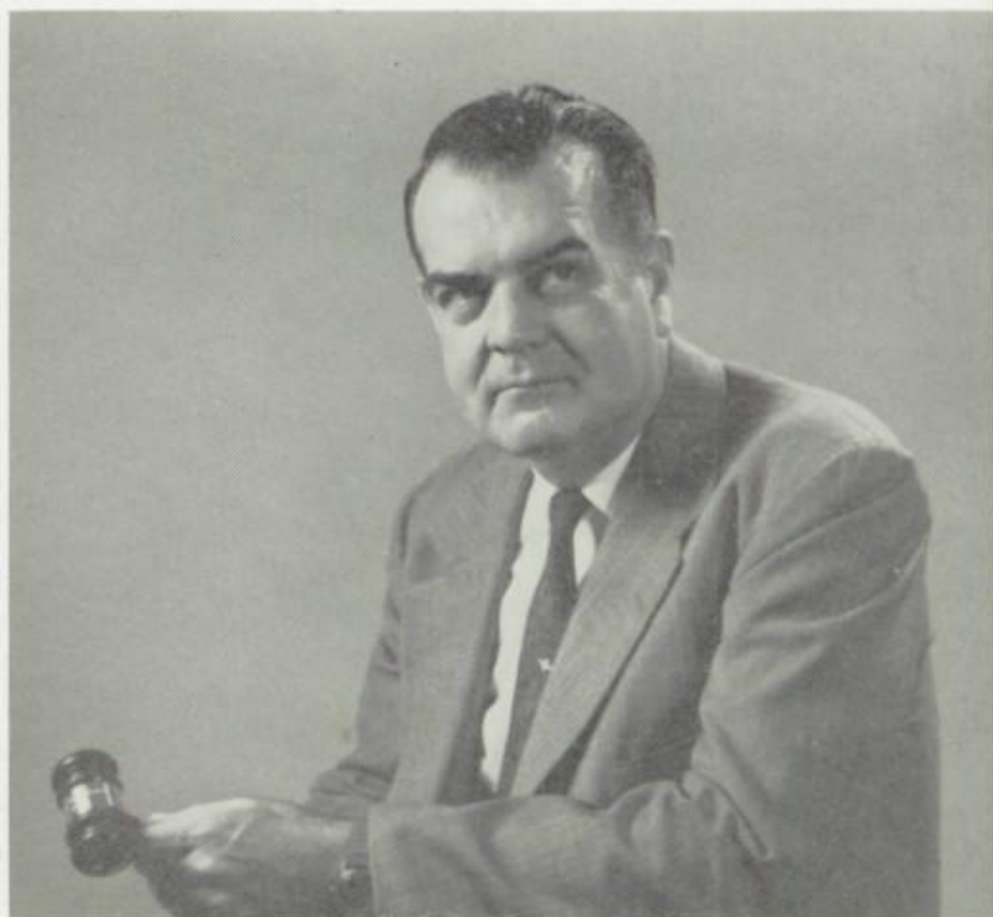

The various committees of the P.T.A. cut down on extended meetings. Mrs. Webb, Mr. Stabler, and Mrs. Fossett worked with sophomore parents while Mr. Cox, Mr. Griffin, and Mrs. Abernathy co-ordinated the committees.

## P. T. A.

The Parent-Teachers Association of Marietta High School maintains that an efficient school is a culmination of a program involving the home and community as well as students and their teachers. To uphold this maintenance, parents and teachers have had regular meetings to promote this idea and have sponsored several school activities to convey it to the student body and community.

In October, a special 'Back to School' night was held for parents whereby they were able to follow their child's schedule—thus they became acquainted with the teachers of their child and at the same time became familiar with the requirements and advantages of the school. In November, the PTA sponsored a homecoming dance for the student body; in February, it assisted the **Olympian** in presenting the annual Valentine Ball; in March, the PTA assisted the Science Department with its annual Science Fair; during April and May many parents worked with the junior class in preparing for the Junior-Senior Banquet.

The editors of the school publications take part in a P.T.A. program.

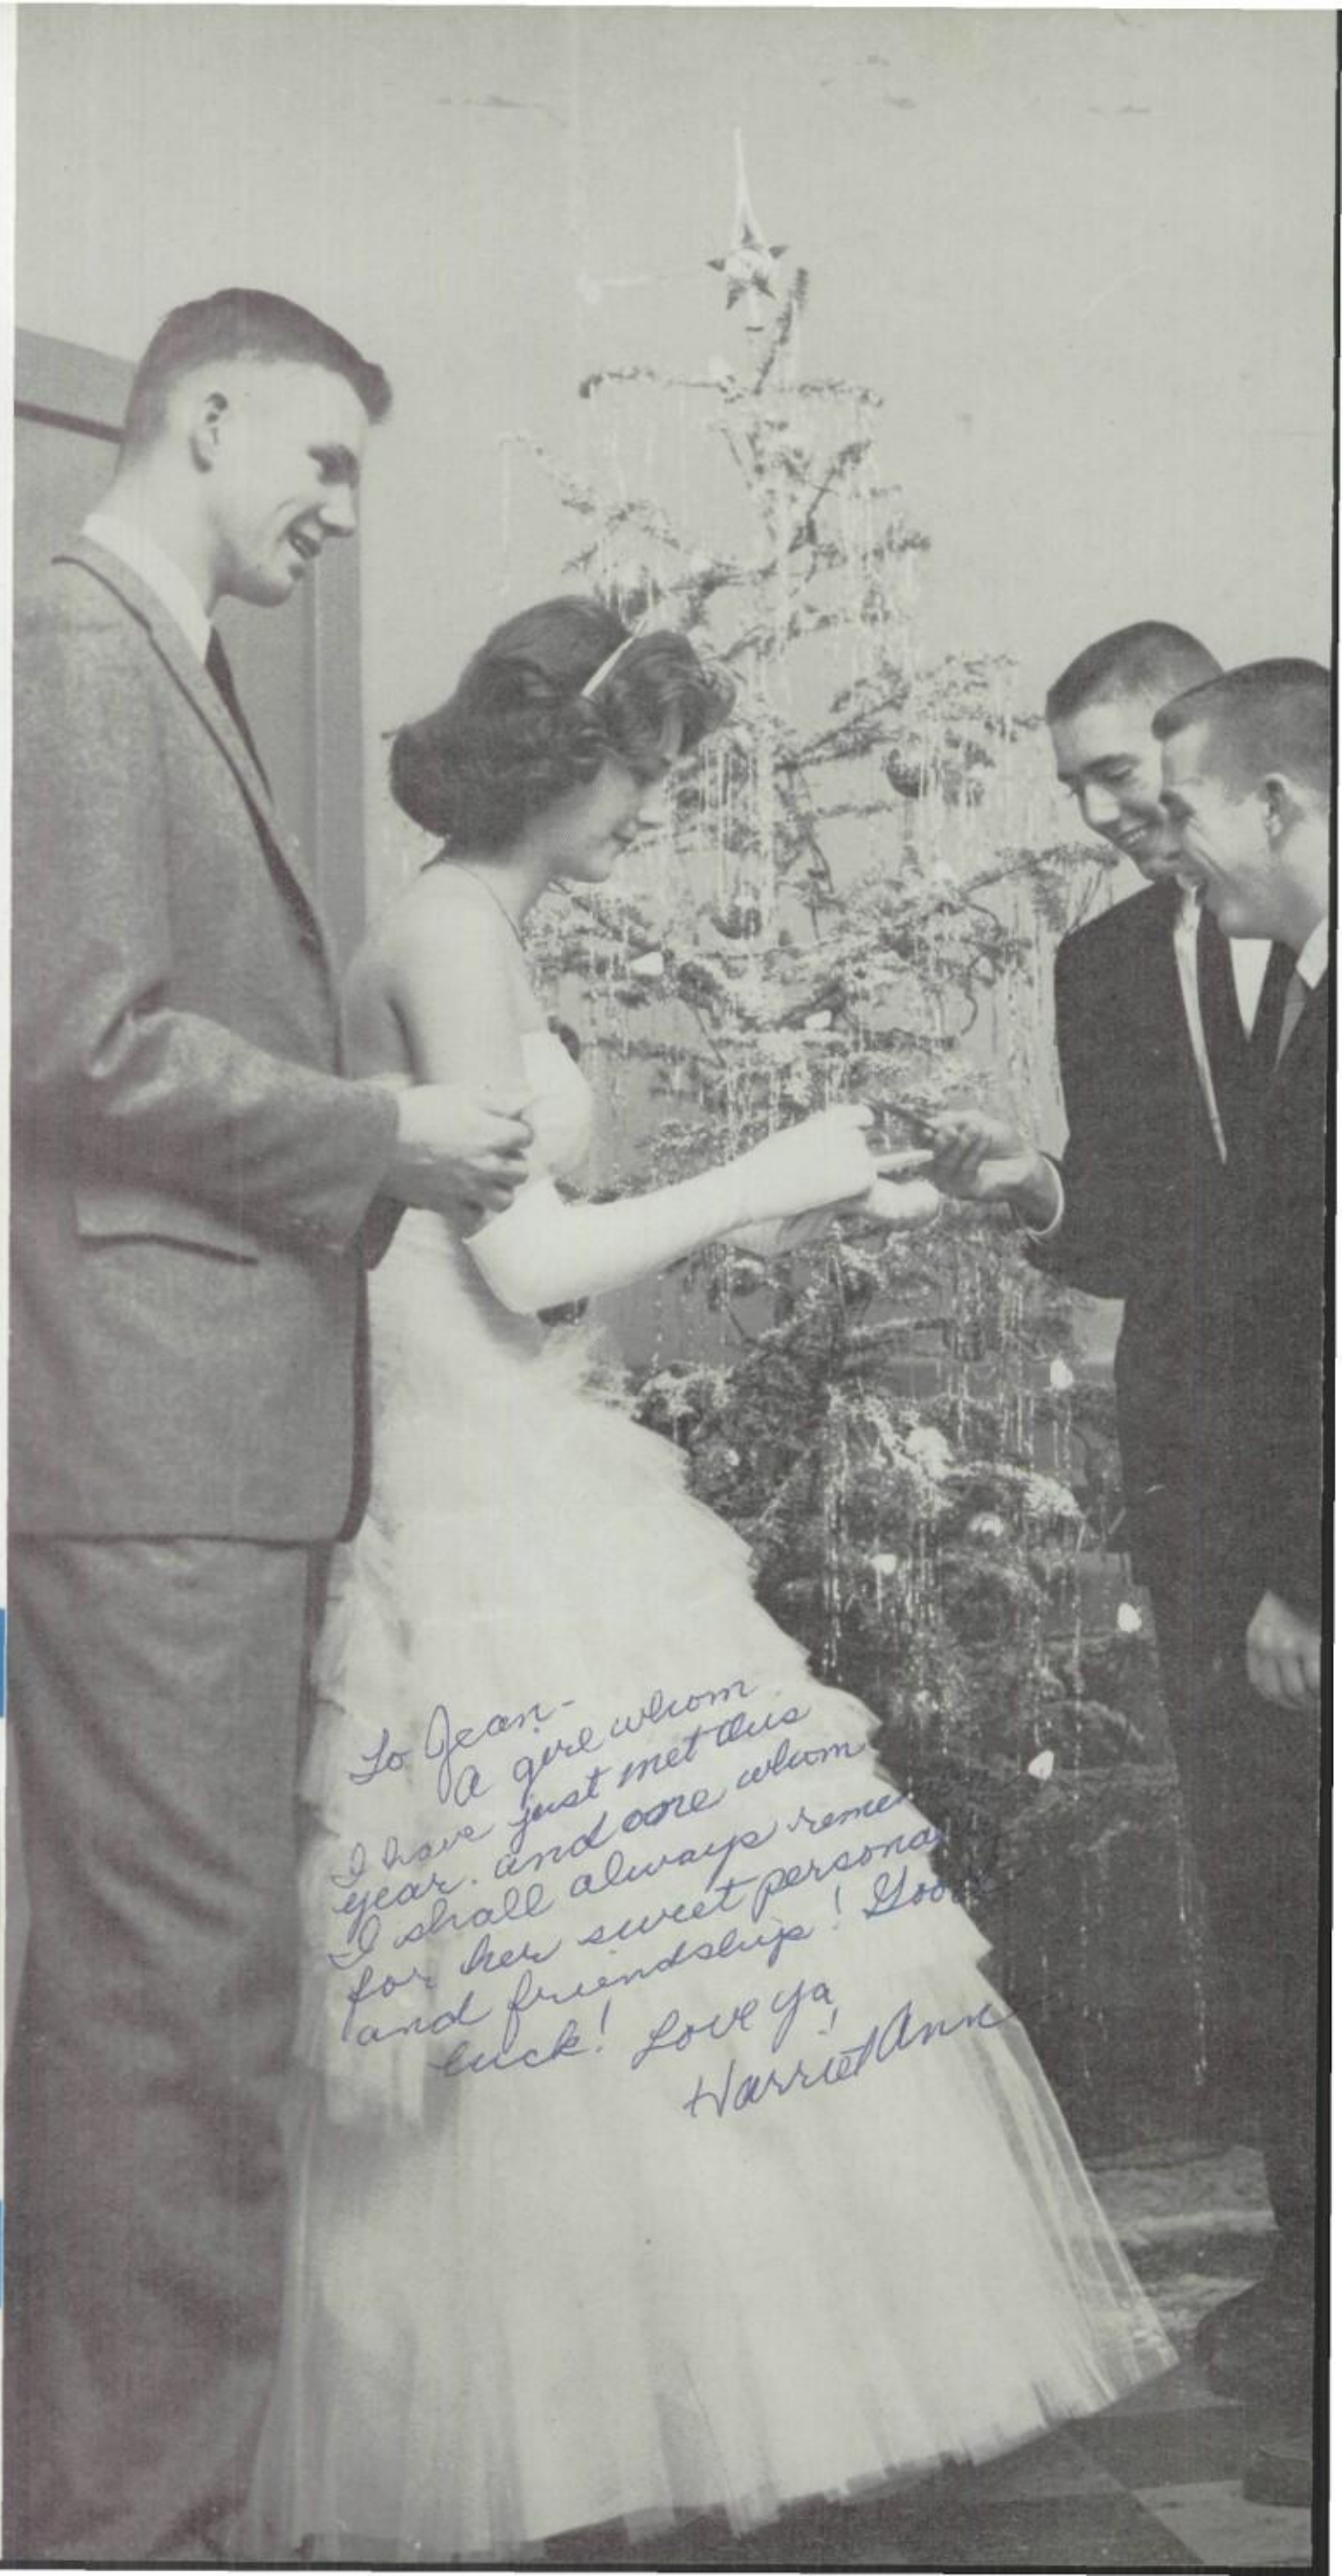

Mr. Abernathy prepares to conduct a monthly meeting.

The Science Fair brings parents and teachers in closer contact with each other and with the students.

To Jean -  
A girl whom  
I have just met this  
year. and one whom  
I shall always remember  
for her sweet personality  
and friendship! Good  
luck! Love ya,  
Harriet Anne

A further aim of MHS is to teach you to become a more versatile and better adjusted citizen of our community. These are ends reached by various methods, among which are supervised dances, chapel programs, and student elections, where you are able to select intelligently your own superlatives, representatives, and honorees.

# DANCE CLIMAXES

This year the Student Council has outdone all former efforts in planning and producing the 1959 Homecoming Dance. The Friday before the Dance was to be held, each class elected representatives to the Homecoming Court. Monday, the Student Council announced the representatives and they chose their escorts. The Homecoming Court was composed of the following students: Freshman, Linda Mathis and Tommy Turner, Nanci Ham and Jimmy Vaughn; Sophomores, Becky Brannen and Joe Chastain, Carole White and Charles Thompson; Juniors, Carole Noble and Mike Martin, Barbara Davison and Tony Gregory; Seniors, Diane Golden and Charles Waters, Heidi Hambrick and Buddy Black, and Nancy Mathis and Jennings Patterson. From the Senior candidates a Queen was to be chosen on the following Friday night.

Wet weather caused the cancellation of the Home-

Nancy Mathis, Homecoming Queen, exhibits her usual vitality as she officially begins her 1960 reign.

Mr. George Griffin, Assistant Principal, proudly crowns the Homecoming Queen, Nancy Mathis, before an excited crowd.

Tony Gregory, Bobbi Davison, Carole Noble, and Mike Martin, the Junior Class Representatives impatiently await the beginning of the coronation proceedings.

Jennings Patterson enjoys a dance with the Queen after escorting her to the crowning.

# HOME COMING

coming game against Griffin, but in no way did it dampen the spirits of the Student Body and the Alumni in regard to the Homecoming Dance. The Student Council changed plans for the dance to include the coronation of the Queen, amidst the elaborate decorations which had been erected by P. S. and Lucky "13".

At the beginning of the Dance, Nancy Mathis was crowned Homecoming Queen by Mr. George Griffin, the Assistant Principal. Kent Anderson, President of the Student Council, presented a royal blue cape and an arm bouquet of red roses from the Senior Class. Nancy reigned over the dance with grace and poise as her subjects, the Students of Marietta High, made her reign a gay and happy one. The Homecoming Dance was the perfect climax to a week of eager anticipation and high spirits and was a build up for the future Griffin game.

The Homecoming candidates and their escorts are presented to the Student Body in an annual Chapel Program.

The Sophomore Class Representatives Charles Thompson, Carole White, Becky Brannen, Joe Chastain, and the Freshman Class Representatives Tommy Turner, Linda Mathis, Nanci Ham, Jimmy Vaughn, await the presentation of their flowers donated by faithful classmates.

Charles Waters, Diane Golden, Buddy Black, and Heidi Hambrick, the Senior Class Representatives, take time out for pictures.

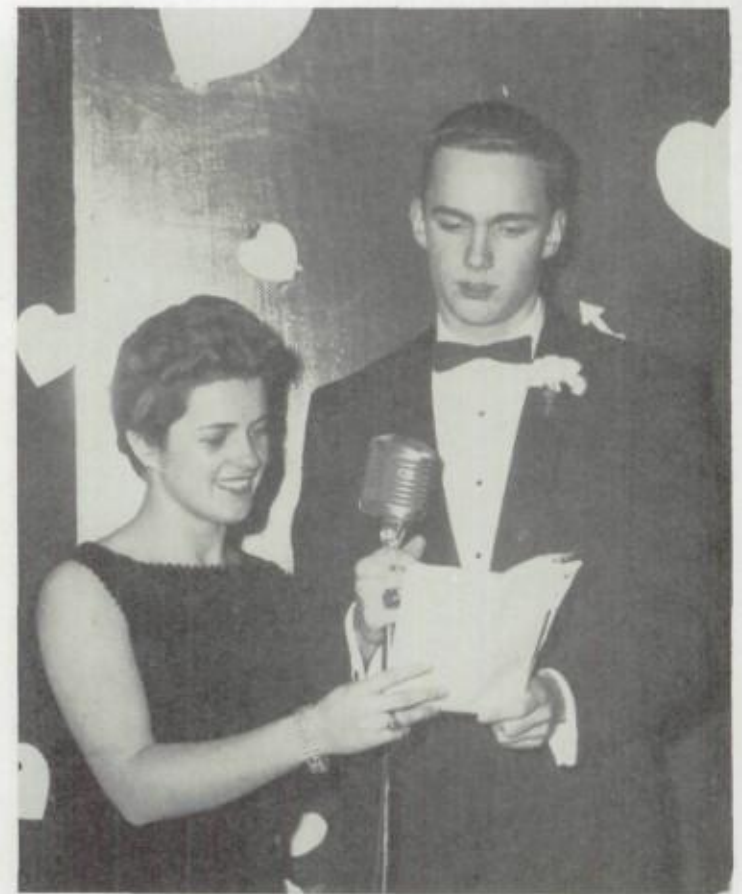

# OLYMPIAN

Senior Marcia Watkins and Freshman Dickie Watson proudly receive the titles of Queen and King of the 1960 Valentine Ball.

Betty Guthrie and Brad Martin, Mistress and Master of ceremonies, discuss the script for the introduction of the Valentine Candidates and their Campaign Managers.

Ruthie Crawford and Dickie Watson, Freshman Class candidates, await impatiently for the announcement of the new King and Queen. Sophomore Class candidates, Becky Durden and Joe Chastain, take time out to relax and to pose for pictures.

# PRESENTS: HEARTS ON PARADE

Suzanne Wimpee and Don Grissom express exuberant spirits over their recent victories.

Campaign Managers were: Suzanne Wimpee, Susan Hall, Danielle Hill, Carolyn Harmon, Kissy Chatfield, Kandy Crawford, Diane Golden, and Don Grissom.

The Valentine Ball is held each year for the purpose of defraying expenses for the publication of the **Olympian**.

This year the candidates for King and Queen, who were elected by their fellow classmates, were presented at the beginning of the Ball. The candidates had campaigned for penny votes for two weeks and the boy and girl who turned in the most money would be crowned. The candidates were: Freshman, Ruthie

Crawford and Dickie Watson; Sophomores, Becky Durden and Joe Chastain; Juniors, Dottie Golden and Mike Martin; and Seniors, Marcia Watkins and Billy Campbell. Each campaign manager presented a skit for her candidate which was judged by a parent-teacher panel. The winning skit was "Lil Abner" representing Becky Durden. Marcia Watkins and Dickie Watson reigned over the Valentine Ball as Queen and King of Hearts.

Dottie Golden and Mike Martin, Juniors, discuss the dreamy music and elaborate decorations which were provided by the Olympian Staff. Senior Class Representatives, Marcia Watkins and Billy Campbell, await the beginning of the Ball with great anticipation.

## OLYMPIAN REVIEWS

As you turn the pages of this, your 1960 **OLYMPIAN**, we hope you approve of and enjoy our effort as a staff to produce a worthy yearbook. It has been our goal throughout the year to record accurately, through pictorial coverage, this year's school life at Marietta High School as well as to present life in a theme that would express its many different aspects.

During the summer we were busy selling ads to downtown merchants and developing ideas for presenting the book to you. By the time September came we were ready to sell books and to plan a cover which would convey our book's theme. Then came the hardest work of all — drawing layouts, taking pictures, and writing copy. By December we were past the "point

of no return" and were faced with the production of the Valentine Ball. The candidates and their campaign managers campaigned vigorously for donations. Even with all the confusion of the Valentine Ball, somehow we found the time to sponsor the voting for Mr. and Miss MHS and the superlatives.

In some respects the production of this yearbook can be compared to that of a great drama in which YOU are the participants. Some of you took leading roles, some took less important roles or bit parts, and some served as background artists and co-ordinators for the others. Regardless of your contribution, everyone of you was essential for a successful production.

For this we thank you.

## PITCHFORK PRESENTS

"Who is Boy of the Month this time?" "Wonder who made the honor roll?" "What does John Lookem-over have to say this month?"

These are questions that only the **PITCHFORK**, our school paper, can answer.

In answering these questions, the **PITCHFORK** gives complete coverage of student life: sports events, cultural trends, club activities, scholastic achievement, and different festivities which take place throughout the school year. In addition this year's **PITCHFORK** added a new attraction — "**Pitchfork Presents**." This new series included poems, stories, essays, and sketches submitted by talented students.

Left—Sports Editors, Charles Bagby and Till Burge, discuss the game to be played that night. Right—Ginger Abernathy, reporter, and Barbara Smith, Feature Editor, glance over the copy.

## MHS LIFE

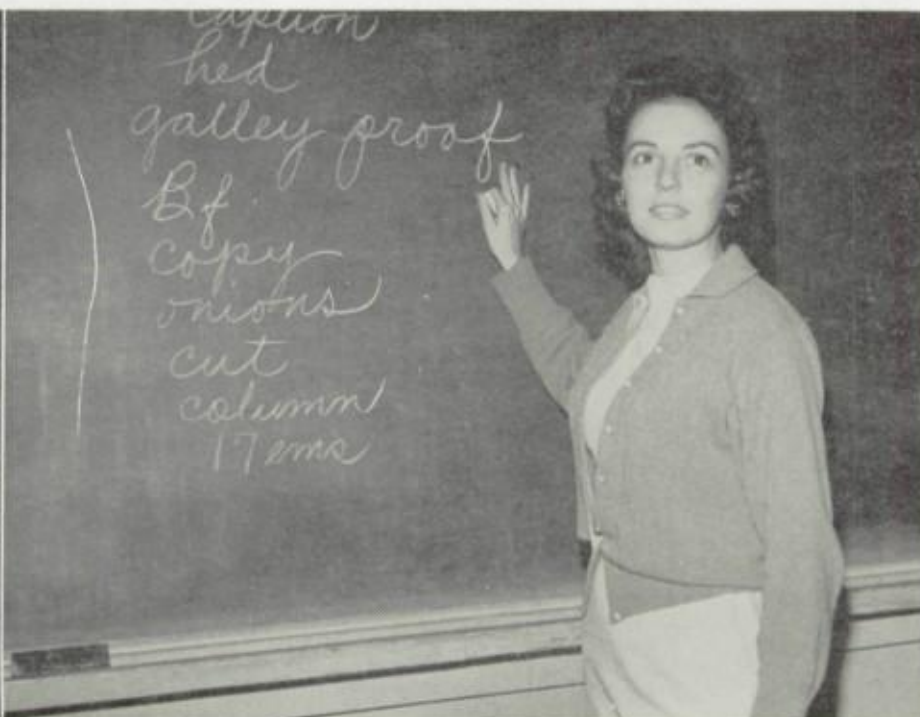

The **PITCHFORK** sponsored a weekly radio series, **MARIETTA HIGH FREQUENCY** as their annual project. The purpose of the program was to attract more public attention to activities, accomplishments, and needs of the students. A group of students selected by the **PITCHFORK** presented the program weekly over Radio Station WBIE.

The **PITCHFORK** has earned recognition over the state and nation as an outstanding newspaper. This year the **PITCHFORK** received an All-American Rating from the National Scholastic Press Association and a Second Place Rating from Columbia Scholastic Press Association.

## COUNCIL PROVIDES SELF-GOVERNMENT

Jimmy Garner, secretary, Kent Anderson, president, Miss Emmert, Mr. Jones, advisors, and Marilyn Mayes, vice-president, count student directories.

Marietta High School's traditions of leadership and student spirit have continued to develop and expand under the guidance of the 1959-60 Student Council, headed by Kent Anderson and co-sponsored by Miss Joanne Emmert and Mr. J. A. Jones.

The council, composed of four elected officers and a representative from each homeroom strived to complete projects throughout the year that benefited the entire student body by giving and providing them means for self-representation. This was accomplished through the submitting of ideas to suggestion boxes, the writing of editorials in the school newspaper, the publishing of a Student Directory, the revising of the Ten-Point System for clubs, and the reporting of council work to homerooms by representatives.

An evaluation of clubs determined the status of the clubs. The chapel committee worked with the clubs in planning chapel programs that were more interesting and that had a valuable meaning.

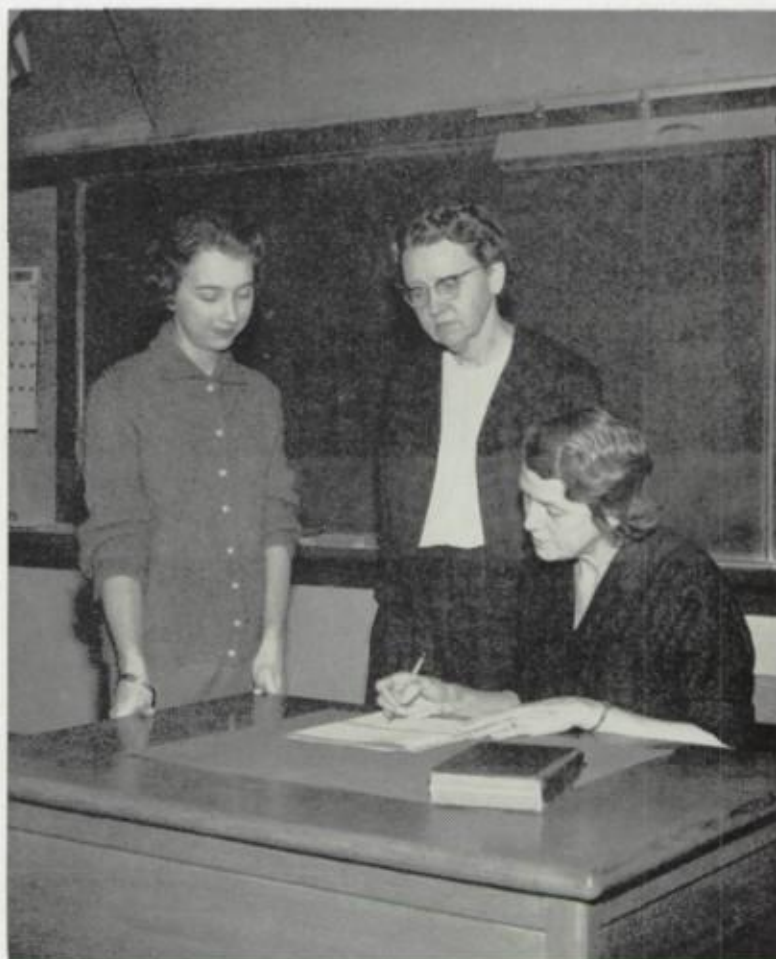

Homecoming was one of the most important highlights of the year and the hard work and the many hours spent in planning this event made it very successful. Various clubs assisted the Council in its production of homecoming.

The Student-Faculty Chapel Committee functions in an advisory capacity in order to ensure presentation of chapel programs that will meet high standards set by the Administration of Marietta High School. For the most part, the clubs of MHS plan and sponsor all chapel programs presented throughout the year, whereas the Chapel Committee organizes a schedule for programs, approves programs worthy of presentation and evaluates them after they have been presented.

This system has enabled the committee and the Student Body to be the receivers of human interest programs sponsored by the PITCHFORK and the OLYMPIAN staffs, current event programs presented by speakers representing Lockheed Aircraft Corporation, programs centered around self-improvement, citizenship, and moral obligation given through the annual series of Teen Talks which are sponsored by the "Y" Clubs. Programs promoting school spirit were presented by the Cheerleaders and by the "M" Club. Honors Day Chapels were held for the purpose of giving credit to those students who have excelled in one of the following three fields: Scholarship, Sportsmanship, and Leadership.

The 1959-60 Chapel Committee maintained the status of future chapel programs by making the sponsors of a club which wishes to present a chapel program responsible for the production which they present.

Marilyn Mayes, Miss Geraldine Legg and Mrs. John C. Vickrey schedule future chapel programs.

## Y-COUNCIL SPONSORS TEEN TALKS

Although the Y-Council was organized only recently it has become an important part of the curriculum of Marietta High. It serves the purpose of co-ordinating the activities of all eight of the Tri-Hi-Y and Hi-Y clubs.

Advised by Mrs. J. R. White, an ardent church worker, the group is composed of the president of each Y club plus one representative from that club.

As in years past, it again sponsored a series of teen talks. Each of the Y clubs selected a speaker who presented an inspiring program in the spring assembly.

As one of the objectives, they tried to encourage all of the Y-Clubs to become more interested in and more helpful to World Service. As a result of this, many of the clubs have made cash contributions to World Service.

Elinor Ann Clayton, Mrs. White, and Mike Mackenzie plan the installation all Y officers.

Sheri Wilson, Judy Browning, Clio Harshbarger, Lloyd Shankles, Beverly Moore, and Colquitt Baker are TAC council members.

## TAC SPONSORS DANCES

The six TAC council members have reason to be pleased with the accomplishments which they have made this year.

They sponsored dances after some of the football games, and held the annual Christmas Dance during the holiday season. In May they sponsored their birthday dance. Everyone enjoyed these dances.

In the summer TAC sent three people to a work-

shop at Tallulah Falls School.

The council members put much of their time and energy into the planning for the new TAC. The plans were finally completed.

Their goal has been making the TAC a place where teenagers can spend hours watching television, playing games, dancing, or eating at the snack bar. Everyone enjoys spending much of his leisure time there.

Mr. Langworthy, Mr. Funderburk, Mrs. Dunn, and Mrs. Langworthy admire the new television which was given to the TAC by the Junior Woman's Club.

# SENIOR GIRLS SERVE THE COMMUNITY

This year the Senior Tri-Hi-Y did several outstanding projects for the school and the community.

As a special project for Thanksgiving and Christmas, they collected food and toys for needy families.

They collected stockings to be sent overseas where they were to be taken apart and rewoven, and collected magazines for the patients at Kennestone. Also, they sponsored one of the annual Teen Talks.

Certainly these girls tried "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

# SENIOR BOYS HELP NEEDY FAMILIES

The Senior Hi-Y, under the expert leadership of Mrs. Edna Lee, is one of the most valuable clubs at Marietta High.

This year the boys went all out to help those who are less fortunate than they. During the Thanksgiving and Christmas holidays, they collected food to take to needy families.

Also this year, in addition to sponsoring one of the teen talks presented to the student body, which have come to be a tradition, they listened to several interesting speakers at their own regular club meetings.

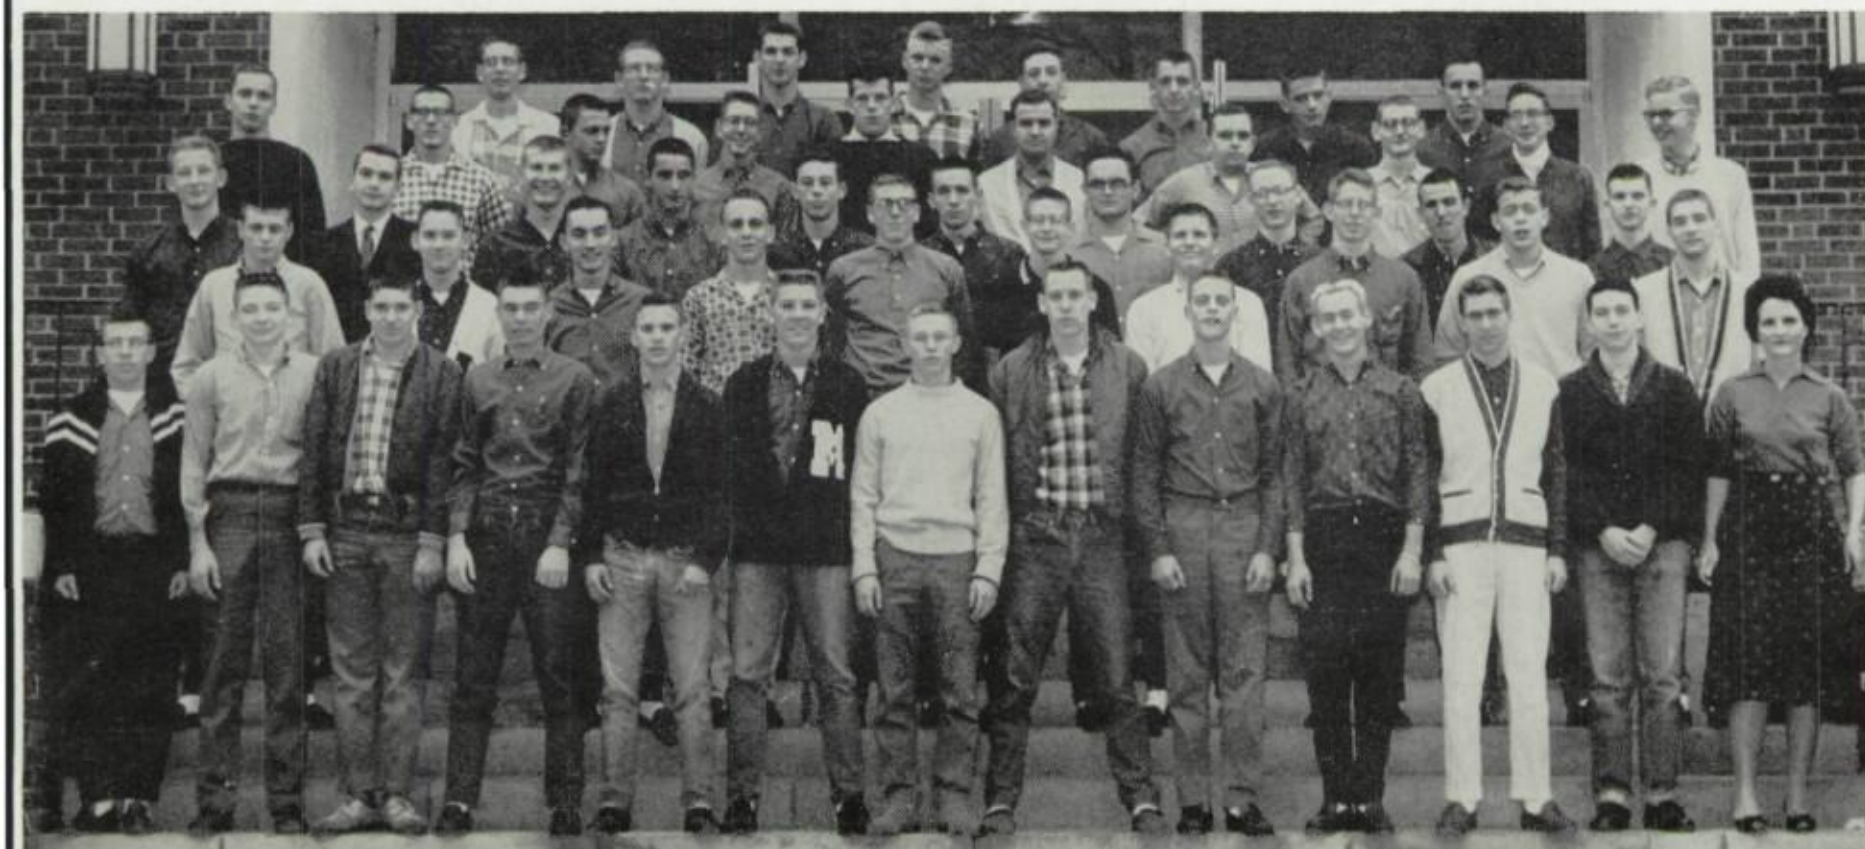

At a regular meeting the Hi-Y boys listen intently to an interesting speaker.

## TRI-HI-Y PLANS PTA DEVOTIONALS

The Junior Tri-Hi-Y has participated in and has sponsored many school projects this year. To the World Service Fund and to the All Faith Chapel they worked to donate money. One of their main school projects was that of planning devotionals for PTA meetings. They planned a chapel program and the speaker gave a very informative talk.

In addition to sponsoring school projects the Junior Tri-Hi-Y has served in community projects as well. One Saturday they made and sold Gracewood angels and collected toys for Gracewood. They also helped a needy family by collecting for them necessary food and clothing.

Officers, Lana Scott, Susan Stanton, Sue Roberts, and Nancy Teem, plan a future meeting.

## JUNIOR HI-Y SELLS TREES

The Junior boys of the Alpha Hi-Y have had a very successful and busy year. They have helped promote school spirit by displaying posters on bulletin boards in the halls.

Conferences have played a large part in their club life. They were represented at the Youth Assembly by the president, Till Burge. They donated money to the All Faith Chapel and to World Service.

The biggest and most important projects was helping a needy family. The boys took food and gifts to them at Thanksgiving and at Christmas.

At Christmas they sold Christmas trees and used the money to give to various worthy causes.

Going to a meeting are officers Allan Sachs, Jimmy Garner, Alfred Colquitt, and Till Burge.

## TRI-HI-Y COLLECTS MAGAZINES

This has been one of the most active and successful years ever for the Sophomore Tri-Hi-Y. Service to others being their main objective, they all collected magazines for Kennestone Hospital and made place cards to be taken to the patients there.

The members greatly enjoyed making angels and selling them to make money to send to Gracewood Hospital for retarded children.

Their project during the week of semester examinations was making honesty posters to be placed on all the bulletin boards. This project was appreciated by the student body.

The club donated a cash contribution to World Service.

Another project which was made very successful by the club this year was the supplying of sheets to the cancer clinic.

They can be proud of an excellent record.

Marty Cash, Sarah Butler, Vicki Franklin, Miss Gable, Vicki Hardin, and Kay Johnson make Gracewood Angels.

## HI-Y COLLECTS FOOD AND SELLS TREES

The boys in the Sophomore Hi-Y put forth a special effort in their activities this year "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

At Christmas they collected a basket of food which they took to an unfortunate family. As another of their service projects, they assisted in making and selling angels. The money gained from this was sent to Gracewood Hospital.

As a money-making project, they sold concessions at the football and basketball games. As another means of raising the funds they needed, they all sold Christmas trees.

One of the members represented their club in the legislative Youth Assembly meeting which was held in Atlanta.

They can look back on their work as a job well done.

The officers, Jimmy Johnson, Marcus Finch, Stephen Scarborough and Dennis Runnion found Mr. Strozier an invaluable aid in planning their projects. Ellis Ragland is not pictured.

## TRI-HI-Y RECOGNIZED

One of the Tri-Hi-Y's main projects this year was providing a basket of food for a needy family on Thanksgiving. They also furnished devotional cards bearing Thanksgiving verses to be placed on the trays at the hospital.

Throughout the year members did their part to promote good sportsmanship and school spirit. They made posters each month to be placed on the bulletin boards.

The YMCA recognized the club as one of the outstanding Tri-Hi-Y's in the area. Their many achievements were largely due to the guidance of their advisor, Miss Sanford.

Sue McGuire, Marsha Parris, Nancy Ham, Melanie Davenport, Jeannie Hicks, Miss Sanford, and Susan Binkley have an officer's meeting.

## HI-Y DEVELOPS LEADERS

This year the Freshman Hi-Y members have helped to brighten the days of some of the hospitalized people at Kennestone by supplying the hospital with books and magazines.

Under the guidance of Miss Lance, the advisor, the club members endeavored to improve and strengthen their club by promoting good sportsmanship and by urging all members to attend church regularly.

The officers have all shown their leadership ability throughout the year. They have planned interesting programs and have helped to carry out many useful and interesting projects.

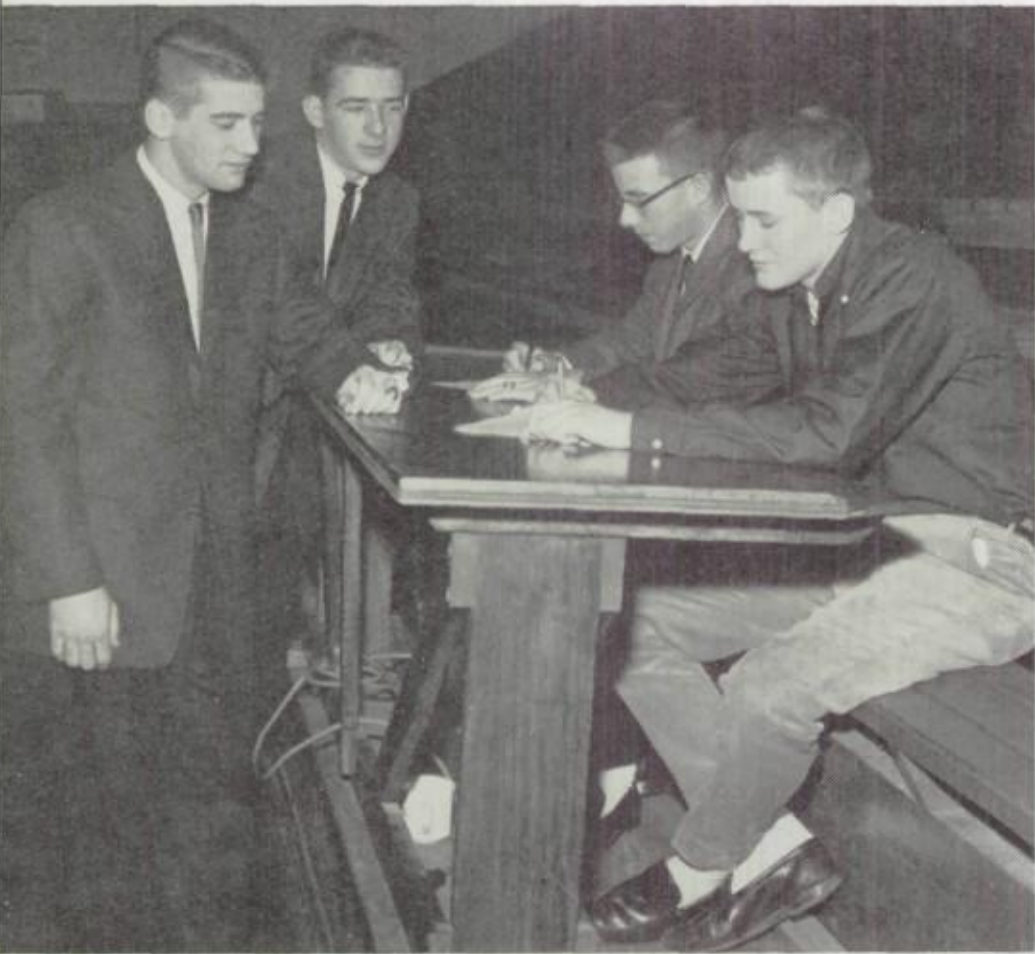

Jack Smallwood, Tony Tatum, Mike Mackenzie, Dick Swanson and Tommy Turner are busily counting and stacking magazines that club members have contributed.

Officers Mike Mackenzie, Johnny Overton, Miss Lance, Mike Clotfelter, Dick Swanson, Chuck Bishop, Jeff Talley discuss projects.

Jimmy Byrd, Buddy Black, Remley Brumby, and Johnny Sinclair will long be remembered at Marietta High for the active part they have taken in sports.

Charles Bagby, Gary Hill, Bobby Cole, and Jennings Patterson have served as the officers of M Club this year.

## M CLUB BUYS CLOCK

All of the members of the "M" Club are active in sports and have lettered for a year or more. They represent the football, the basketball, the baseball, the golf, the track, and the tennis teams. All year they worked toward better sportsmanship and school spirit.

In serving the school they bought a basketball clock which has been needed for quite some time.

Coach French Johnson, the head of the Athletic Department and advisor to the club, has somewhat inspired them this year in that he stressed the importance of cooperation of every team member—an important factor in the making of a successful club as well as of a successful team.

In November the Key Club at Marietta held its annual new member's banquet at the Plantation House of the Georgian Oaks Motel, at which induction services were conducted by Dr. Al Colquitt.

In promoting good public relations this year's Key Club sold concessions for the school during football games and financed and served refreshments to the sportscasters during half-time at games. The Key Club is supported wholeheartedly by its co-sponsors.

Ellis Ragland, Rusty Reeves, Bobby Cole, Howard Simpson, Judy Hubert, Colquitt Baker and Hugh Durden are among the members attending the Key Club Banquet.

Jackie Dobbins, Nancy Teem, Linda Roach, and Hank Schneider arrange a poster for the honesty campaign.

## CIVITANS BUILD CHARACTER

The Junior Civitan Club under the auspices of the Marietta Chapter of Civitans, promotes the development of good citizenship on the part of its members. The club stresses the importance of church attendance, honesty, awareness of civil duty, and individual obligation to fellow man.

The outcome of these emphases initiated club members to help needy families in the community, to assist

civitans on Citizenship Day, and to sponsor a safe driving campaign among members of the student body, an honesty campaign and a cleanup campaign. They had several programs concerning parliamentary procedure.

Under the guidance of their director, Mr. William Stabler, the club reaped results of good citizenship when they helped South Cobb High School establish a Junior Civitan Club of their own.

## BETAS UPHOLD STANDARDS

Thirty-four new members were received into the Beta Club at the Induction Ceremony held after the completion of the first six weeks period and then were entertained at an annual breakfast.

To become a member of Beta Club, a person must have an over-all A average in his sophomore year and must have an A average the first six weeks of his junior year. He must maintain this average to stay in

the club. If a person wishes to join in his senior year, he must maintain an A average for the first semester to be accepted. Members receive a Beta Club seal on their diploma.

In an effort to curb cheating at Marietta High, the Beta Club proposed an Honor Code consisting of a complete definition of cheating and a pledge to follow suggestions that will help control cheating.

## FNA SPONSORS PROGRAM

The girls in Future Nurses Club have had a very busy year. One of their main projects was sponsoring four girls in the Candy Striper program at Kennestone Hospital. These girls took a course which covered the things they were to do. After taking this course they were contracted to work thirty hours or more doing various things from admitting patients to taking temperatures and giving back rubs.

Another important project was helping with the teachers' X-rays which were given the week before school started.

The most important project of the year was the maintenance of the clinic. In this project, the clinic was kept open for ailing students. Records were kept and supplies were purchased. During the year twelve girls worked as clinic assistants, six working all year and six more coming in later in the year to train to be next year's assistants.

Mrs. Webb has been the advisor of Future Nurses for two years.

Suzanne Donehoo, Secretary, Saundra Young, Treasurer, and Pat Robinson, President, are on their way to the hospital.

## FTA NOMINATES TEACHER

The Future Teachers Club again this year sponsored the Teacher of the Year for Marietta High School. A tea was given in honor of the teacher at the home of the President of FTA inviting the faculty of Marietta High School.

The members celebrated Educational Week by giving an apple to each teacher. Announcements were made concerning Educational Week at different intervals during the week.

Baskets of food and clothing were given to a needy family on several occasions. Hand-made Christmas cards were carried to the Children's Home and the members made tray cards for the patients at Kennestone Hospital.

Other projects participated in was the selling of concessions at the football games and the sponsoring of a chapel program. Mrs. John C. Vickrey has been the advisor of FTA for several years.

Officers Patsy Spinks, President, Jane Glover, Vice-President, Ginger Abernathy, Secretary, Mrs. Vickrey, advisor, and Virginia Dorman, Treasurer.

Officers Carolyn Brown, Judy Vaughn, and Carolyn Nunnally attend a meeting.

## FBLA PRESENTS AWARD

Each year FBLA awards a typewriter in Honors Day Chapel to the senior who has made the best grades in the Business Education Department. This award is made in order to encourage hard work and high standards and to recognize achievement.

Members of FBLA participated in many other projects this year. They sold concessions at the football and basketball games. They made a list of all the teachers and their addresses to put in each teacher's box for the sending of Christmas cards to the teachers.

Baskets of food and clothing were collected at Thanksgiving and at Christmas, and on several other occasions to be given to a needy family.

These girls served as office assistants, lab assistants, and in many other ways helped the teachers. Each teacher was supplied with a secretary during their study hall if the teacher wanted one. Typing, filing papers, and running stencils for the teachers kept many of the members busy.

The members of FBLA participated in the State Convention at Rock Eagle. The local FBLA Club is a member of the State and National Future Business Leaders of America.

Miss Smith, the advisor of the Future Business Leaders' Club has been in the Business Education Department for thirty five years.

# FHA ENTERTAINS

Both the Junior and the Senior FHA clubs completed many successful projects this year. The girls in these clubs attended two district conferences and one state conference. They contributed to the Inez Murray Scholarship Award and to the FHA Camp Improvement program. Each club had one hundred percent participation throughout the year.

Both clubs adopted a needy family and provided them with necessary food and clothing. A bulletin board was decorated for Homecoming. Some members helped the Y-Clubs sell Christmas trees and make Gracewood angels.

The FHA girls prepared food and helped to serve at the Board dinner. They made Christmas decorations for all the teachers and bought plants for the Home Economics department and small plants for Mrs. Higgins home room.

The members of the Junior FHA drew pictures and made scrapbooks for retarded children and made curtains for the Home Economics Lab.

The Senior FHA bought furniture and a mirror and made curtains for the teachers' lounge in the Antley Building. They made Easter favors for hospital trays. They also sold concessions at the football games. A tea was given for the teachers.

Miss Dilbeck and Mrs. Higgins are the advisors.

Barbara Smith, Sherry Wilson, Nancy Mayes, and Ruth Carman arrange the bulletin board.

Larry Watson, David Mize, and Dan Matthias are ready to go caving. These and other science club members enjoyed such outdoor excursions.

## SCIENCE CLUB TRAVELS

The Science Club members had an exciting and educational year. Their many projects provided fun as well as learning experiences.

Early in the year the club visited Owens Illinois Glass Works, and made a tour through parts of Lockheed. After the tour, they heard lectures by several chemists and physicists.

Their biggest undertaking was the annual Science Fair. Plans for it were made almost completely by the Science Club. As a result, it was quite large.

The students found that in addition to being educational, caving could be great fun. They explored a cave in Lookout Mountain.

During one weekend, the club visited Bowater Paper Mill on their way to Oakridge, Tennessee. They gained much knowledge from the guided tour of the plant and from all the lectures they received.

As a final project, the club sponsored a member of spring speakers at their meetings. They also planned to run an officer for the state Science Club.

## LIBRARY AIDES PROCESS BOOKS

The library aides' club served MHS students in many ways. They were responsible for keeping books correctly shelved, as well as for seeing that books were checked out and in.

All the assistants worked hard preparing new books for use. There were six hundred new books to be unpacked and alphabetically arranged. Much information about these books must be written on the order cards, catalog cards, and shelf list cards, while information about the book's author must be recorded in the author-card file. Individual cards and packets for each book must be made and the proper classification number must be given each book. When this work was completed, the book backs were lettered and the books were shellaced and readied for use.

In addition to this, the aides sold concessions at football games, gave a Christmas Tea for the faculty, and took an inventory of the whole library. Much of the year was devoted to helping Mrs. Quiery in her preparation for the evaluation.

Marsha Parris, Carol Noble, Martha Ann Jennings, Linda Sue Hamlin, Barbara Newborn, and Mrs. Quiery are on duty each day to help both students and teachers find the books of their choice. These aides have improved the efficiency of the library.

## STAMP AND COIN CLUB GROWS

The Stamp and Coin Club was formed last year for the purpose of furthering student interest in philately and numismatics, or as these sciences are more commonly called, stamp and coin collecting. The club met every other Thursday after school.

Frequent auctions were held to allow members to buy stamps and coins which they needed for their collections. They could sell those coins and stamps which they did not want.

Sometime in the near future the club members hope to sponsor a collection which will be kept on display at all times. They hope that this project will help to arouse the interest of many students in stamp and coin collecting so the club will continue to grow.

Membership in the club is open to all students—the only prerequisite being an interest in stamps and coins and a willingness to cooperate with fellow club members.

Miss Smith and Miss Nolen, Stamp and Coin Club advisors, give aid to the students in organizing their collections.

David Mize and Ellis Ragland compare their collections and exchange stamps and coins.

## AUDIO VISUAL CLUB AIDS

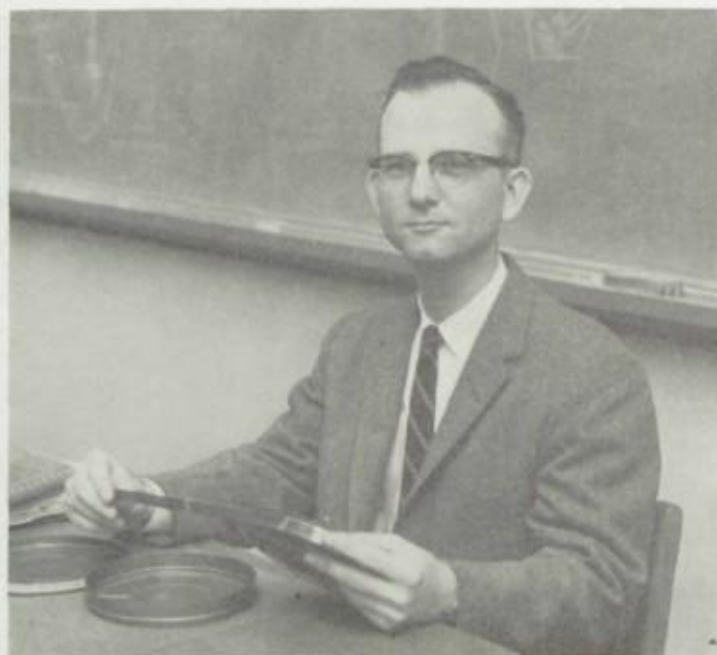

The audio-visual club, although recognized as a club by the school, had no regular meeting time. Instead, the members spent all their vacant minutes throughout the year in learning the art of operating the various audio-visual aids which were available to Marietta High School students.

The purpose of the audio-visual club was to acquaint the students who were interested in this type of work with the mechanics of the audio visual aids equip-

ment, thereby enabling them to operate the machines for teachers.

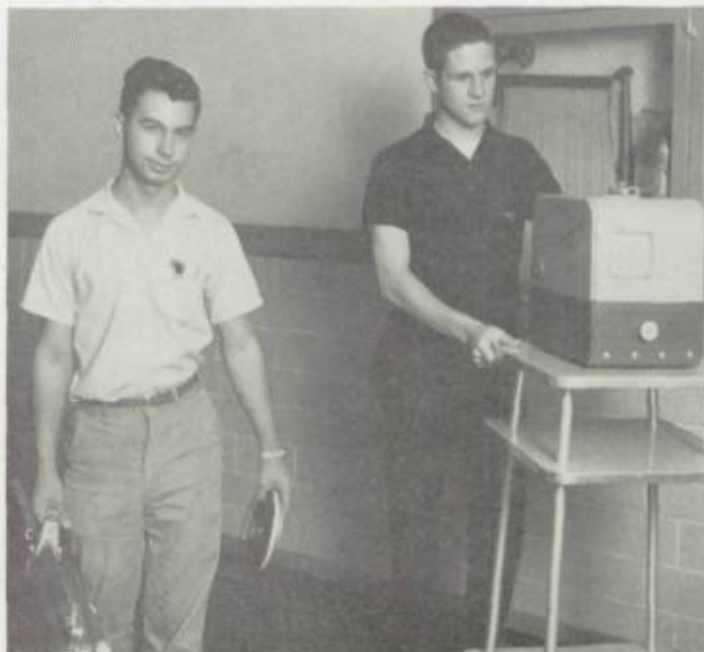

The club members were especially helpful in the chemistry classes, in which at least one film was shown every day, and sometimes even before school.

Through the efforts of this club, students are able to see movies and slides presented quickly and efficiently.

Mr. Stabler, club advisor, pulls film off the roll in order to prepare it for the camera.

Frank Bell and Larry Moon carry films, screen, and the projector to the audio visual room to show a movie to a class.

Jeannie Hicks, Linda Mathis, Nanci Ham, Delores Myers, Suzanne Wimpee, Carol Ann Evans, Kathy Dobbs, Gail Satterfield, Gail Williams, and Marcelle Black are active members.

## PEP CLUB BOOSTS SPIRIT

The Pep Club is new at MHS this year. One of the social clubs, DEC, realized the need for an organized effort to boost school spirit. They therefore asked the administration for permission to set forth such a club. Permission granted, the new club was announced to the student body. Potential members met after school; officers were elected, and the club began to function. The result of the efforts of these students is a club of about one hundred members, which keeps up enthusiasm for all school activities. The most important projects of the club are to hold pep rallies, to have cheering sections at sports events, and to emphasize good sportsmanship.

Enthusiasm is high as members enter Brumby Gym for a meeting to practice cheers for a sports event.

The Pep Club is composed of many members from all classes who are anxious to raise the standard of sportsmanship at MHS. The members sat together at football games and yelled with cheerleaders to boost team spirit. They also assisted ushers at all games.

## DRAMA CLUB PRESENTS

This year several new special interest clubs were formed at Marietta High. The Drama Club was one of these. It met every Monday afternoon. Its membership included students from every class. The purpose of this club was to help participants develop their self-confidence and their personalities. In the past few years, students had expressed a desire to learn more about acting and speaking publicly. It was to answer this need that Miss Newsom and Miss Compton organized the Drama Club.

Its projects have been to study theory, voice projection, stage appearance, and various other basic principles of acting, and to prepare short plays to present in chapel programs.

## BAND RATED SUPERIOR

One of the most active, and certainly one of the most widely appreciated organizations of 1960 was the Marietta High School Band under the direction of Mr. Boyd McKeown.

The marching band, with sixty-four members, including a drum major and six majorettes, appeared at all football games—rain or shine—pep rallies, and parades. A smaller pep band played for the basketball games. The band performed shows centered around precision drills, exact timing and complicated formations. The show staff planned the rehearsals.

The band delivered several chapel programs, assisted in community programs and presented two spring concerts with music for all tastes.

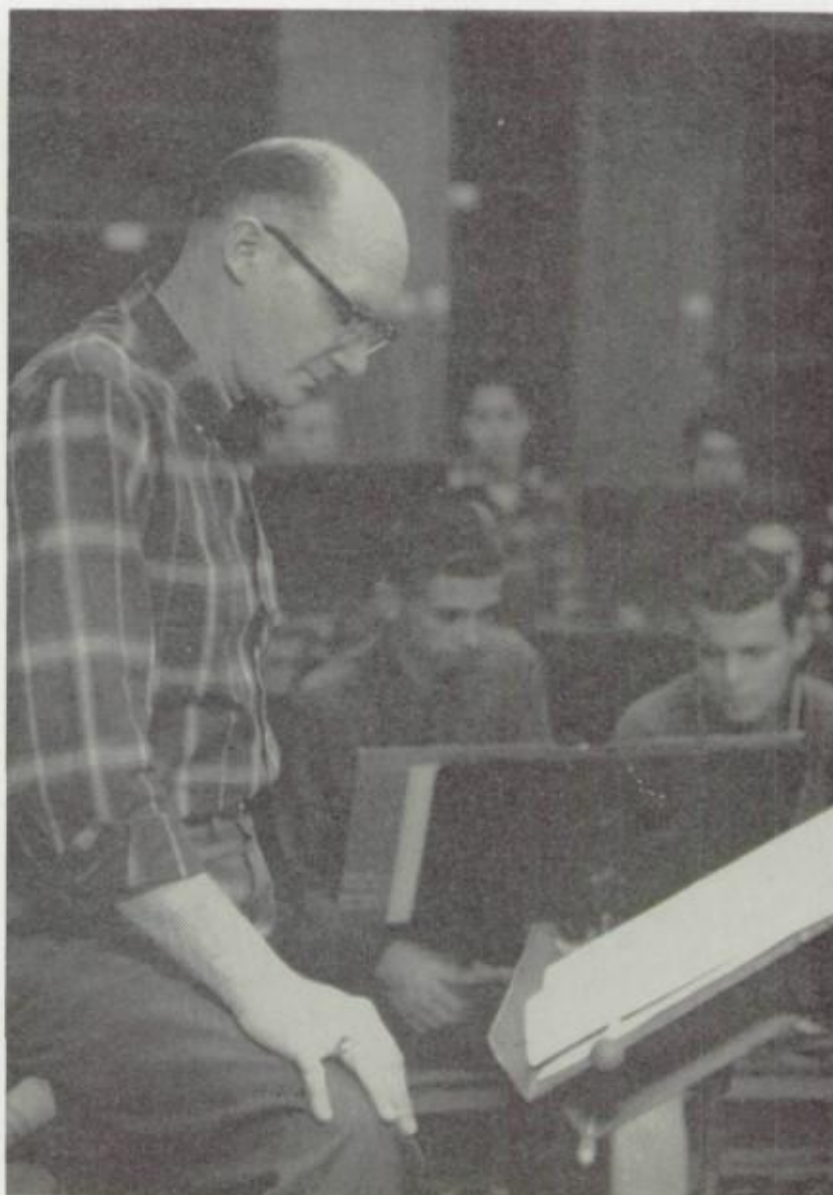

A special contribution by the 1960 band was to assist cheerleaders in the writing of words for the Blue Devil Fight song and to adapt these words to music. The fight song was played at football and basketball games and was enthusiastically accepted by the student body.

For these feats the 1960 Marietta High School Band captured the superior rating at the Region Music Festival held in Cartersville.

The Band officers are Hugh Dobbins, President; Helen Lamar, Vice-President; Myrall Croft, Secretary; and Ken Pitts, Treasurer. Here they prepare for a recording session.

Mr. McKeown, known to all of us as Mr. "Mac", has worked many long hours with the band. The result is that the band was rated one of the best in Georgia.

The band forms a hat and cane for the Can-Can routine, during one of the half-times. Of all the fine half-time shows, this was one of the most popular. The band exhibited its precision drills and fast stepping in all of its performances.

The majorettes are Linda Anderson, Myrall Croft, Suzanne Donehoo, Pat Robinson, Sandra Young, and Patsy Spinks.

Pat Robinson and Sandra Young have done some exceptionally fine twirling in the past few years.

## MAJORETTES PERFORM

For the first time in several years, the majorette squad was composed only of seniors. These girls, with four years of experience in their favor, practiced long hours with Mrs. Paula Cooey, their choreographer, to perfect solos, special choreographic drills, and duet numbers for the half-time shows and parades.

The squad paralleled the band by capturing top ratings at the Region Music Festival in Cartersville. Several of the girls won recognition for individual twirling and dancing besides regular majorette activities.

Linda Anderson and Patsy Spinks compose this talented pair of twirlers.

## TWIRLERS PRACTICE

The 1960 twirling corps had thirteen members, also directed by Mrs. Paula Cooley. These talented girls learned basic skills and techniques designed to prepare them for future majorette work.

The twirlers gained experience in showmanship by joining in the dance routines presented by the majorettes during half-time shows. They also marched in all parades.

Through their diligent work this year, the twirling corps was able to improve and ready themselves for next year.

## GIRLS GLEE CLUB GIVES CONCERTS

As usual the Girl's Glee Club was again the largest choir in the choral music department. Composed of about fifty girls, the Glee Club has always been one of the most active of all the choral groups. They along with other groups, performed in a Christmas concert given during the holiday season. They sang "A-Rockin' All Night," "Noel, Noel," "Old Lorraine Christmas Carol," "Jesus Christ Our Saviour Is Born," and "Shepherds' Christmas Song." The highlight of the concert was reached when the Glee Club, each girl holding tiny blue lights and greenery, positioned themselves so as to resemble a human Christmas tree. This formed a very beautiful and effective scene for the singing of

"Silent Night" by antiphonal choirs. As the final number, the complete choral department combined to sing "The Westminster Carol."

In March the Glee Club's hard work during the year proved to be worthwhile, for they received an excellent rating on "Flower of Dreams," and "Battle Hymn of the Republic," which they sang at the third region music festival. Later in the spring the Glee Club once again joined other groups in the department to present a final spring concert of the light, entertaining type of music. After that the Glee Club concentrated on making plans for next year's concerts and other activities.

The Glee Club officers are Linda Davenport, president; Judy Hicks, board member; Mary Helen Payne, secretary-treasurer; Nan Lucas, board member; Brenda Lee, board member.

The Choral Music Board consists of Alice Barron, Brenda Lee, Margaret King, Carol Copeland, and Judy Hicks. These girls work with Miss Ogden to choose music for rehearsals and to plan the program of events throughout the year.

## MUSIC WORKSHOP ORGANIZED

Miss Ogden organized a completely new and different type of choral group this year. It is composed of a small number of people who were selected on the basis of their musicianship. The group was divided into four ensembles, each of which held separate rehearsals. On Friday of every week the group met together to have a lesson in music theory. These lessons were an invaluable help to the students' musical ability.

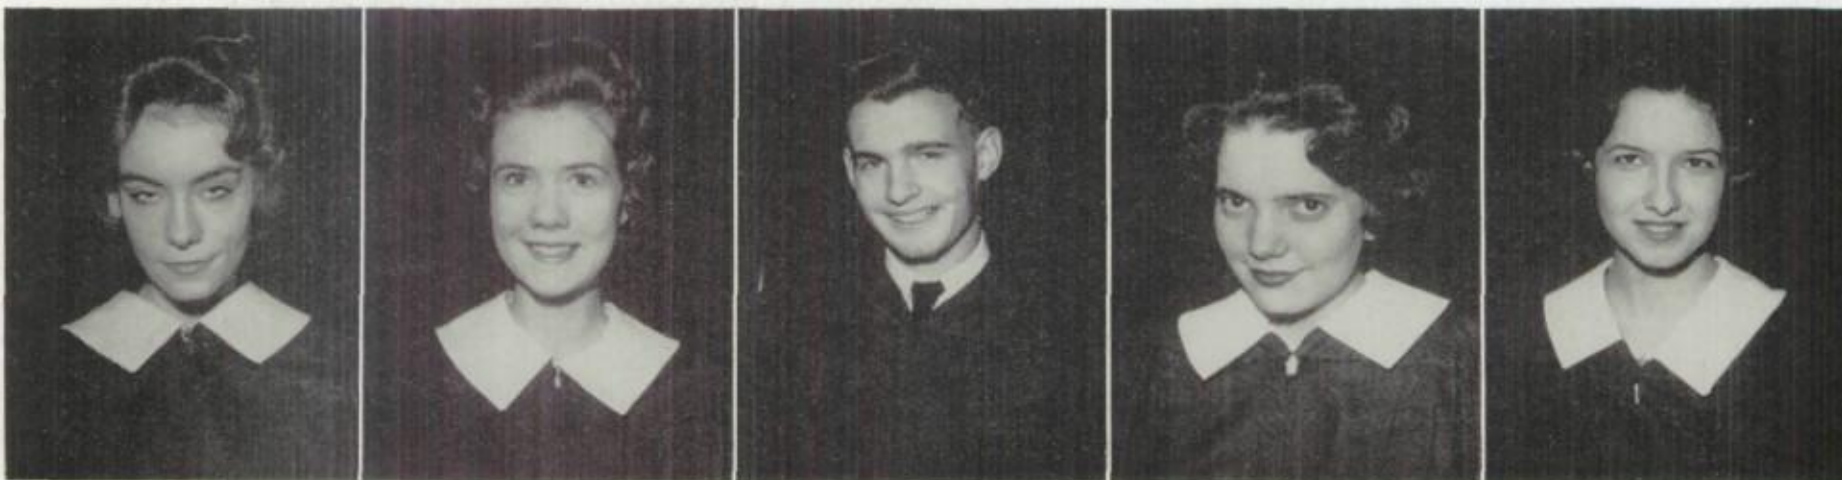

This choir kept several songs in readiness, so they could present a program on one day's notice. They were called upon many times during the year. At Christmas they presented an assembly program for

the student body. On other occasions they sang for the Marietta High and Park Street School PTA's, the Junior Woman's Club, the Marietta Education Association, the U. D. C., the Kiwanians, and other groups.

For their annual Christmas concert the ensembles each presented separate numbers, and combined to sing "Silent Night," Carol of the Russian Children," and "The Westminster Carol."

At the festival, the choir received a superior rating on "Beautiful Saviour," and "I Wait Alone Beside the Sea." The final big event of the year was the annual spring concert.

## CHOIR GAINS EXPERIENCE

The Beginning Chorus, though it is not a performing group, is one of the most important of all the choirs in the entire choral music department. For it is from that group that the future members of the Girls' Glee Club and the Music Workshop will come. The Chorus is made up of younger, more inexperienced students who must be trained for at least one year before they are able to advance into one of the other choirs. It is in this group that the ground-work for a successful music department is laid.

The Beginning Chorus participated in the annual Christmas concert which was held in the Fine Arts Auditorium. They sang a traditional English carol, "The

Twelve Days of Christmas," and a Ukrainian carol, "Carol of the Bells." Then they joined the Girls' Glee Club and the music Workshop to sing "The Westminster Carol" as the final number of the concert.

In February, the Chorus sang, "Vale of Tuoni," and "Hark the Vesper Hymn is Stealing" at the Third Region Music Festival, which was held at Hapeville High. They received many helpful criticisms from the adjudicators.

As the year grew close to an end, these people were rewarded for their hard work by being given the positions which they well deserved in the advanced choirs and ensembles.

The officers of the choir are President, Billy Caddell; Vice-President, Olen Newman; Secretary-Treasurer, Betsy Hagood; Librarians, Ricky Jaeger and Kenny Cosey.

## JUNIOR MUSIC CLUB HELPS SPONSOR CONCERT

The Junior Music Club has long been one of the largest and most active of the special interest clubs at Marietta High. Thus it was again this year. It had a membership of over thirty people.

All of these members had at least one thing in common—they all had a deep appreciation of some type of music. The Junior Music Club provided an excellent opportunity for students to cultivate tastes for every type of music, whether it be classical, popular, or jazz.

The club is fortunate to have many members who are very proficient in one, or perhaps many musical skills. These students were able to present many interesting as well as entertaining programs at the regular club meetings.

Also at their meetings, Junior Music Club members often studied different composers and listened to some of their music.

On one occasion during the year, this club invited all of the other special interest clubs to attend a special program instead of attending their regular meetings. At that time a student from Sprayberry High School performed several native Hawaiian dances, which she explained to her audience. This event was enjoyed by all who were present.

As a service project, several of the club members entertained one or more singers in the Peabody College Choir after the concert which the choir presented while they were on a tour. The Club well served its purpose—to further the musical and cultural interests of students.

Pictured are Janet Wood, Vice-President; Alice Barron, Secretary-Treasurer; Teri Barton, President, and Mr. Carter, advisor of Junior Music Club.

## PS SPONSORS DANCE

PS club works primarily toward improving social functions at Marietta High School—the end result being that more parties, pep rallies, and parades are bestowed upon the students and at the same time members of PS have more fun.

Besides sponsoring a dance and engaging in various social functions, PS members served as ushers at the annual Parents' Night and helped in the Gracewood Angel project.

The membership of PS is composed of girls from the junior and senior classes, and boys who sponsor the club along with the advisor, Mrs. Carolyn Morris.

## LUCKY 13 DECORATES

Lucky 13—the title of the club itself reveals the number of girls who are selected to constitute its membership. Likewise, the number thirteen is lucky for its members in that many worthwhile projects have been completed this year.

They decorated goal posts to add color at football games this year. The Homecoming Dance in October was improved through their unique decorations.

The highlight of the year for club members was their annual Girl Break. In addition to these projects, Lucky 13 members were always doing a job for the school, or planning one that was to be done.

Charles Bagby, Pat Gunter, Linda Smith, Mary Margaret Manning, and Monty Calhoun enjoy the warm fire on a cold evening as they talk over the day's events.

Before the basketball game, Charles Waters, Buddy Black, and Haydn McLean buy cokes.

Officers of Di-Nineties, Gail, Beverly, Jeanne, and Diane, get together at a member's house.

## DI-90'S GOES ORIENTAL

The main event of the year was the DI-Nineties formal dance which was given at the Country Club. The dance gave an Oriental atmosphere to the evening with Japanese lanterns and a different version of Oriental entertainment.

The members of Di-Nineties showed school spirit by decorating the goal posts for football games and making pom poms for the cheerleaders. They served their community by taking food and clothes to a needy family, taking magazines to the hospital and they were a help to teachers by running errands and stamping text books.

Miss Compton, a new member of the faculty this year, was the Di-Nineties advisor.

## DEC ORGANIZES PEP CLUB

DEC Club's enthusiastic members organized the Pep Club which lent much to school spirit at football and basketball games.

DEC members bought cokes for visiting cheerleaders at home football games and bought oranges and chewing gum for the basketball games and sold concessions with other clubs.

Other projects were helping the teachers, painting signs for their doors, and stamping books. Money was sent to Gracewood to help meet its expenses.

DEC members aided the Student Council in sponsoring the Homecoming program and dance.

This year DEC had as its advisor J. L. Jones who is a member of the coaching staff.

"Now, ya'll yell!" This was a familiar cry to the students at Marietta as the cheerleaders lined up in front of the bleachers. These girls were a prominent factor in many Blue Devil victories on the football field and on the basketball court.

Clad in the traditional Marietta blue and white, all eight were essential to our sports competition as was Blue Devil mascot Martha Hudgins. Their cheers vibrated with pep and vitality that gave the Devils support.

The M.H.S. cheerleaders are the finest example of loyalty, honesty, and sportsmanship required of a "Blue Devil born and a Blue Devil bred."

End coach J. L. Jones, Head coach French Johnson and Backfield coach Bill Lundy guided the fine Blue Devil team to victory after victory.

## MEET THE CHAMPS

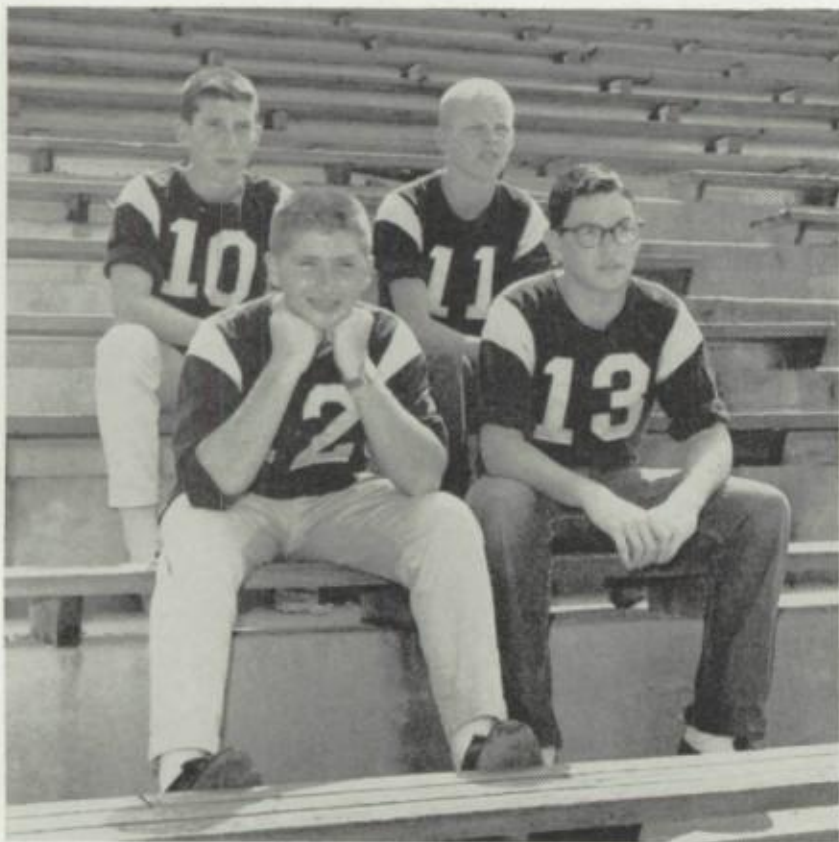

The 1959 Blue Devils far outshone any past team as they won Marietta's first North Georgia championship. During the regular season they flattened team after team to establish a record of ten wins, no losses and one tie. The Blue Devils wound out the season with a record of 11-1-1.

The Devils rolled over rival Campbell for the long-awaited revenge and outbattled a fine Gainesville team in the rain and mud. They knocked Marist out of the region race and tied the determined Griffin Eagles for the sub-region title. They met Southwest DeKalb and emerged victorious for the Region 4AAA Crown. They walked away from Grady Stadium with a win over the Brown Rebels—the proud owners of the North Georgia AAA Championship trophy. They met their Waterloo, Albany, at Grant Field and fell before a vicious Indian massacre in a game that we won't forget for a long time.

The Blue Devils can look back and be proud of their record, of their sportsmanship, and of their fine team spirit. Marietta High is proud of them . . . they're **our CHAMPS!**

# DEVILS WIN FIRST

By rolling over South Cobb 42-0 in their opening game, the Blue Devils served notice there would be rough sailing for the other teams in AAA circles in 1959.

The first Devil touchdown of the season was scored by Bill Wimpee, who made a 49 yard dash. He was soon joined by Gary Hill, who ran 21 yards for another touchdown. Don Grissom fled over the goal line from the 27 for one six-pointer. Ronnie Myrick zigzagged 47 yards for another tally, and Richard Smith shot over the line from the 2 to score.

Eddie Goscha contributed 8 points in the winning effort, turning an intercepted pass into a quick six points and later blocking a punt in the end zone for a safety. The potent Blue Devil offense proved to be too much for South Cobb as Marietta scored almost at will. The alert Devil defense discouraged any threat offered by the Eagles.

# CHEROKEE BOWS

Five Devil backs bolted into the limelight as Marietta won over Cherokee with a lopsided score of 39-0. The first time Marietta got possession of the football, they marched 68 yards to pay dirt with Ronnie Myrick dashing the last 31 yards. In the second quarter Don Grissom added another tally on a one yard dive which closed out the first half scoring.

Then, early in the third period, fullback Bill Wimpee slammed 17 yards up the middle to cap a 49 yard scoring thrust and to add to the Marietta cause a third TD. Gary Hill caught an errant Cherokee pass at the 16, and Myrick went 12 yards to set up a four yard touchdown by Johnny Sinclair. Hill's 9 yard pass to Howard Simpson paved the way for Tony Musarra who scored on a 3 yard plunge. Myrick took a lateral from Sinclair at the five and streaked across for the final touchdown.

## WILDCATS SUCCUMB

Marietta rolled over Russell 39-6 to sew up another region win. Although outclassed, the Wildcats lived up to their name as the well-defended Devil goal line was crossed for the first time this season.

A 68 yard touchdown run by Johnny Sinclair got Marietta off to a quick start. A second TD was made by Bill Wimpee, who crashed over from the 5 for the score. A pass interception by Sinclair set up the 3rd six-pointer; Hill passed to Simpson for the TD.

Early in the second quarter Sinclair again intercepted a Russell heave and raced 68 yards to score. Russell bounded back, grinding out 77 yards for a TD from the two yard line. Marietta scored twice more in the second half—Ronnie Myrick plunged over from 8 yards out in the 3rd quarter, and Sinclair added a final TD with a 14 yard run. Bill Wimpee kicked for a game total of 3 PATS.

Outstanding in the Devil line were tackles James Camp, Denny Chunn, guards Eddie Gosha, Ernie Warren, and ends Howard Simpson, Ken Kirk.

## DEVILS SOAR

A valiant Sprayberry eleven just couldn't stop Marietta as our Devils rolled to a 61-6 victory in the 2nd region game of the season.

Marietta completed eight of ten attempted passes for 184 yards in the air. Two of the eight were touchdown heaves. Johnny Sinclair threw a seven yard strike to Bobby Cole in the end zone, and Gary Hill fired a 22 yard TD pass to sub-halfback Terry Fulmer. Tony Musarra uncorked a beautiful 51 yard screen pass to back Richard Smith, who zig-zagged through the entire Sprayberry team for the score.

Sprayberry's first threat, a 35 yard drive, was halted on the 6 inch line by the mighty Devil defense. In the 4th quarter, however, the Jackets let loose with a 67 yard pass for a touchdown.

Don Grissom had a 21 yard dash for 6 points; Johnny Sinclair got two TD's; Ronnie Myrick went over from three yards out; John Sherrod added another score; David Norris steamed over from the 4; and Bill Wimpee made good on seven conversions to round out the score.

## PANTHERS FALL

In seeking the fifth straight win of the season the Blue Devils shattered arch-rival Campbell 39-0.

Early in the first quarter Johnny Sinclair opened fire on the Panthers and went 36 yards for the TD. Moments later guard Eddie Goscha added another six points by scooping up a pitch-out fumbled by the Campbell quarterback.

In the second quarter Goscha blocked a punt, and Sinclair ran over for the touchdown. On the next play Bill Wimpee charged through the line for another 6 points to chalk up the 4th Blue Devil TD.

Shortly before half-time Warren Gordon intercepted a pass that set up the 5th Marietta tally, and Don Grissom raced 32 yards for the score.

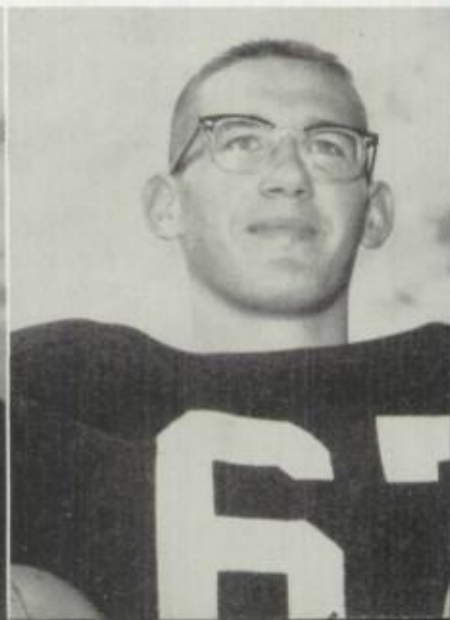

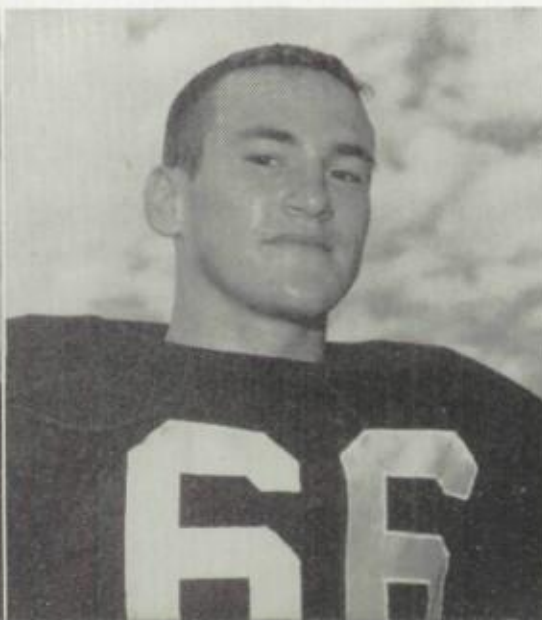

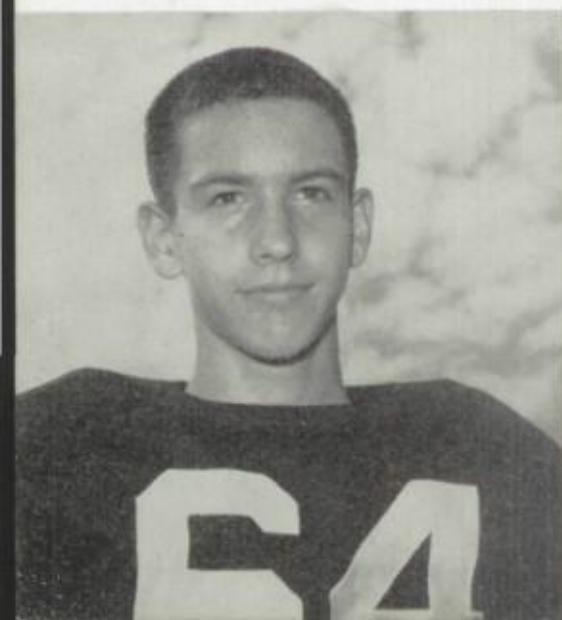

During the second half the reserve units saw plenty of action with regulars going in to relieve them. The final 6 pointer was added by Myrick in the 4th, and the game ended in a 39-0 score for Marietta's 3rd region victory.

# CADETS CRUSHED

The Blue Devils slammed the door to the Region 4AAA West Championship in Marist's face with a 34-0 win. The Marietta eleven played one of their finest games.

The Devils got under way the second time they had their hands on the pigskin. Sinclair lofted a 18 yard pass to Bobby Cole, who ran 23 yards for the first TD. In the 2nd quarter Sinclair tossed a lateral to Ronnie Myrick, who eluded a horde of Cadet tacklers and got loose on a 75 yard run for the 2nd score.

Sinclair climaxed an 83 yard drive with a TD on a 2-yard plunge. Two touchdowns in the 4th quarter added the final tallies to the Blue Devil score. After intercepting a pass, Gary Hill found Howard Simpson in the end zone for the 6 points. On the Marietta kick-off Marist never picked up the ball, and Hugh Durden fell on it at the Marist 32. Bill Wimpee made the TD on the 4th down from the two in spite of a tight Marist defense and an offside penalty.

## DEVILS DAZZLE

Marietta exploded for five touchdowns to blast West Fulton's hopes with a 34-12 victory on Dad's Night.

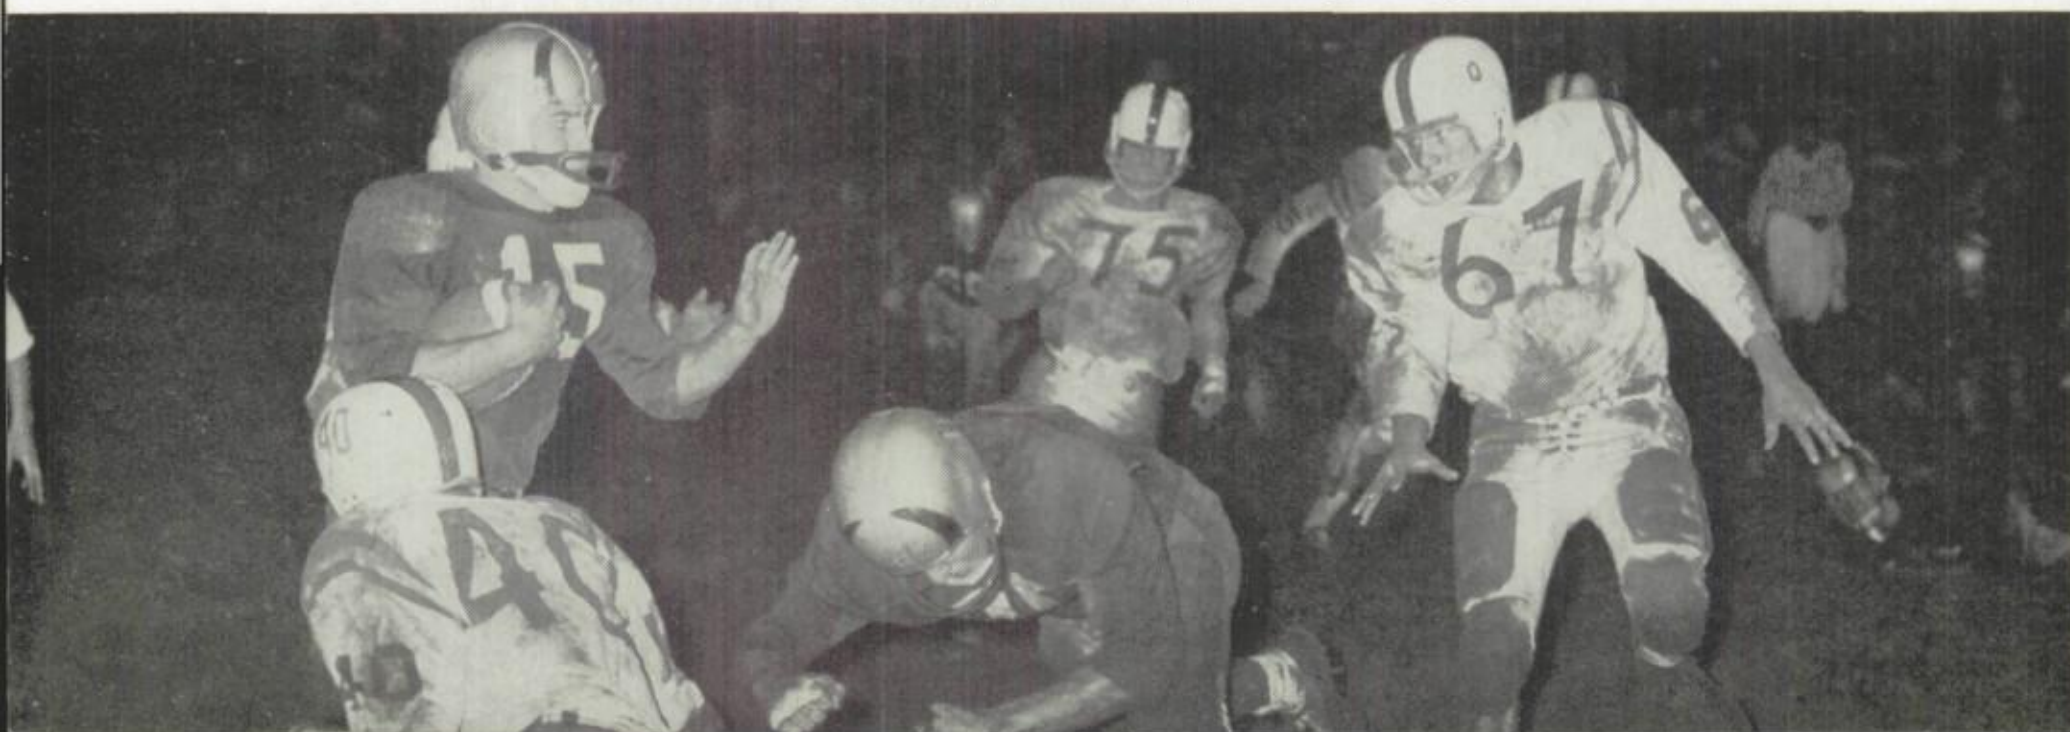

In the 2nd quarter, Myrick ended a 67 yard drive with a 33 yard run to start the scoring. Moments later he grabbed Wimpee's fumble and turned it into a 71 yard TD dash. A total of 35 yards penalties and a fumble gave West Fulton a chance to score with a pass. Attempting to break up the pass, Marietta deflected the ball into the hands of a West Fulton player, who made the score.

During the 2nd half, Sinclair raced 54 yards into the end zone; Wimpee cut loose on a 31 yard TD run; and Myrick concluded a 63 yard drive with a 15 yard gallop to rack up the final score for the Devils. West Fulton again took advantage of 40 yards of penalties against the Devils and drove 55 yards to score their second tally from 5 yards out.

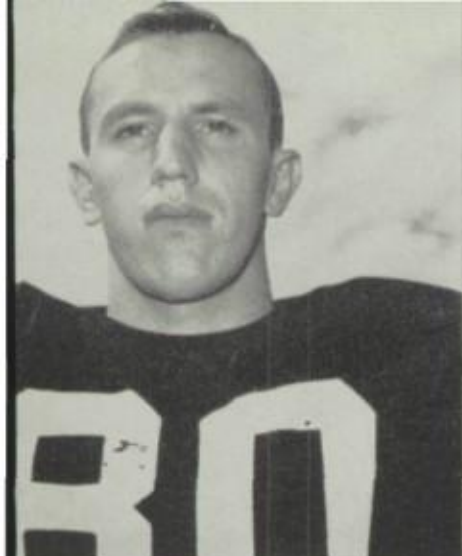

Marietta's defense was led by tackles James Camp and Denny Chunn, guards Ernie Warren and Eddie Goscha, and ends Howard Simpson, Bobby Cole, Ken Kirk and Hugh Durden. Wimpee made good on 4 PATS.

## DEVILS DEADLOCKED

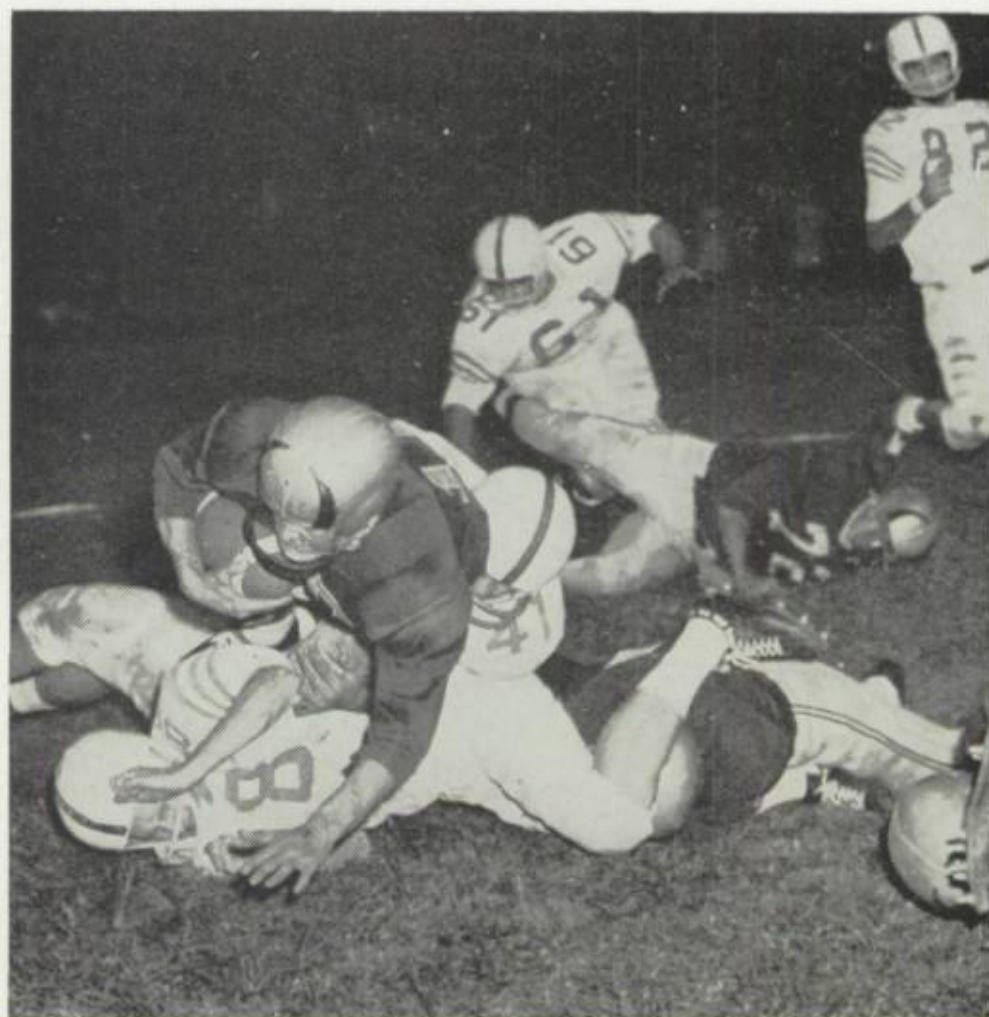

On Friday, the 13th of November, a record crowd of 7500 slightly wild fans watched two fine teams play a thrilling football game for the sub-region title.

Marietta received the ball on her 12 and drove 88 yards without relinquishing the ball for the entire first quarter. Early in the 2nd, Johnny Sinclair aimed a pass at Howard Simpson in the end zone. A Griffin player batted the ball away from the Devil end, but Bobby Cole made a great diving catch for the TD. Bill Wimpee made the conversion; Marietta led 7-0.

The 3rd quarter got under way as Ernie Warren charged through the line and blocked a punt on the Griffin 9, and Eddie Goscha recovered for Marietta. Griffin's line held and they took over, but Lloyd Shankles intercepted a wayward pass and moments later Sinclair crashed over for the TD. Wimpee added 1.

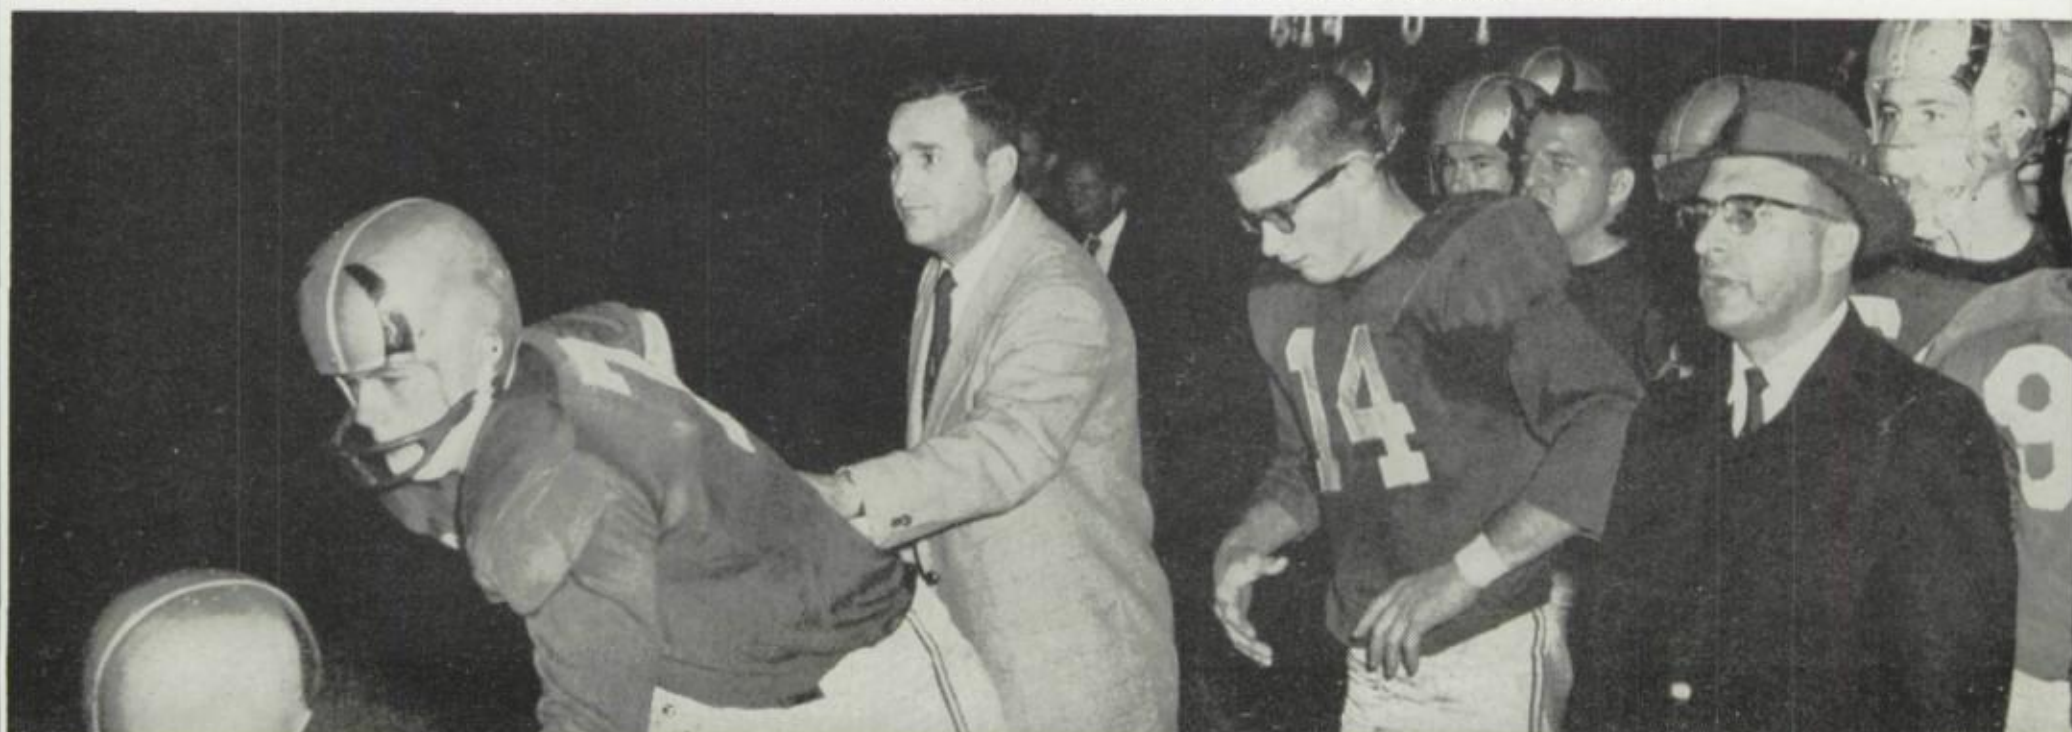

In the long last 6 minutes, the Eagles came alive, crashing over on the 4th despite the Devil's goal line defense. Then the tying score came on a 15 yard pass with only 12 seconds left on the clock.

## DEVILS DOWN ELEPHANTS

Neither mud nor Gainesville could stop our Blue Devils as they slid by the Elephants 18-13.

Gainesville took the lead in the first quarter, but on the ensuing kick-off Marietta's Don Grissom fielded the pigskin and zipped up the middle for an 85 yard touchdown run. The PAT attempt was no good.

In the 2nd period the Devils moved ahead with a 13 yard touchdown run by Johnny Sinclair. Marietta took a 12-7 lead. Gainesville retaliated swiftly and began a 72 yard march to the goal touched off by a 68 yard pass. The receiver was caught on the four, but two plays later, the Gainesville quarterback sneaked in for the score, making the tally 13-12.

Late in the 3rd period on a 4th down-long-yardage situation, Gary Hill lofted a 27 yard pass to Howard Simpson, who took the ball away from the Gainesville safety man and fell into the end zone for the winning TD. The stubborn Marietta defense refused to give more ground, took the ball on downs, and held on to it.

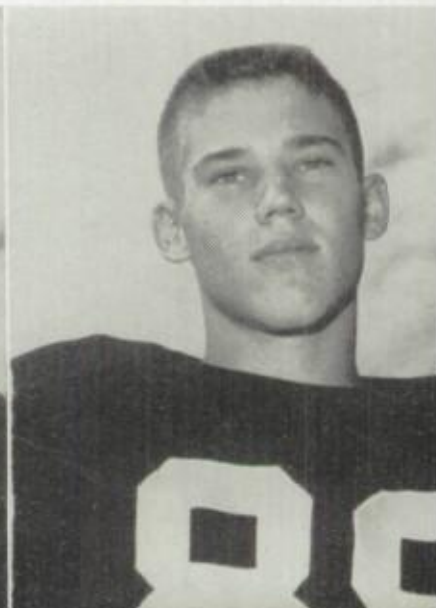

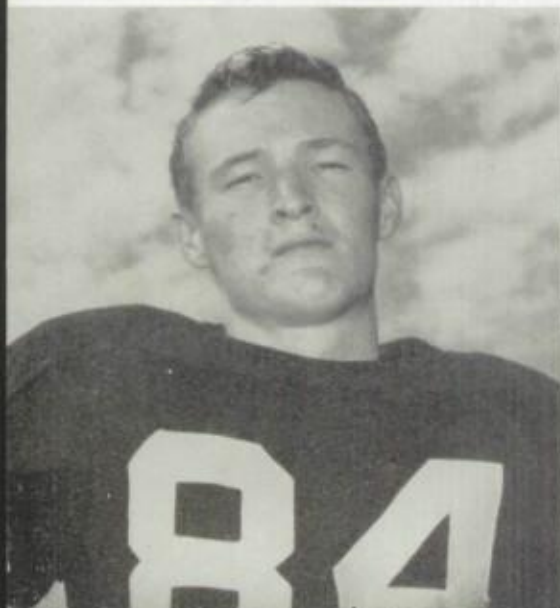

Outstanding in the Marietta line were guards Goscha and Wallace. Wimpee was leading ground gainer.

## BULLDOGS SWAMPED

The Blue Devils rolled over Decatur in the mud and bitter cold with a resounding 32-0 victory, increasing their season record to 9-0.

Marietta got off to a roaring start early in the 1st period as Johnny Sinclair scored on a 24 yard roll-out run. In the 2nd the Blue Devils took over the offensive on the Decatur 42 and drove across the goal line in 10 plays. Sinclair hit pay dirt from one yard out on a quarterback sneak, and Wimpee booted the PAT.

In the 3rd Grissom returned a 25 yard kick. From their own 40 yard line the Devils ground out 60 yards in 7 plays, and Wimpee outdistanced the Bulldogs to scamper 36 yards for the touchdown.

The Blue Devils scored 13 points in the 4th. The first drive covered 47 yards with a key run of 27 by Grissom; the TD was made from the one yard line by Sinclair. Later in the same period, with the ball on the Marietta 31 yard line, Sinclair again cut loose on a 69 yard TD run to round out the score 32-0.

Don Grissom grabs the ball and cuts through the Brown line.

Marietta wrapped their tenth seasonal win, the Region Crown, and Southwest DeKalb up in a neat package, and Tony Musarra, sub-halfback, tied the final bow with a 16 yard touchdown.

Although plagued with injuries, the Blue Devils held their own against the stubborn Panther defense which stopped the Marietta team four times inside the 20 yard line. The tremendous blocking power of the Blue Devils set the pace for Johnny Sinclair as he scored with a 52 yard run in the first period. In the second quarter, guard Erine Warren intercepted a pass on the Panther 28 and with the ball on the 4 yard stripe, Don Grissom took a hand-off from Gary Hill and went the distance for the score; Bill Wimpee added the PAT with a perfect boot.

Southwest DeKalb scored on an intercepted pass in the third quarter, as their end raced 89 yards into his own end zone. Musarra's 16 yard scamper put Marietta safely ahead, and the Devils were 4AAA Champions!

## DEVILS HANG BROWN FOR NORTH GEORGIA TITLE

Marietta winged her way to a 26-12 victory over the Brown Rebels, while a crowd of 11,000 frenzied fans looked on at Grady Stadium.

The Devils took the opening kickoff and marched 74 yards to pay dirt with halfback Don Grissom racing 19 yards on a key run to the Brown 11. Bill Wimpee plunged into the end zone from the one yard line to score and added the 7th point with a perfect boot.

Gary Hill's interception at the Brown 48 once more put Marietta in business. Four plays and one Brown penalty later, Johnny Sinclair swept 14 yards around the end for the TD. Bobby Cole claimed a fumble to halt the next Brown attack. Hill grabbed another pass, and the Devils gained a 20-0 lead.

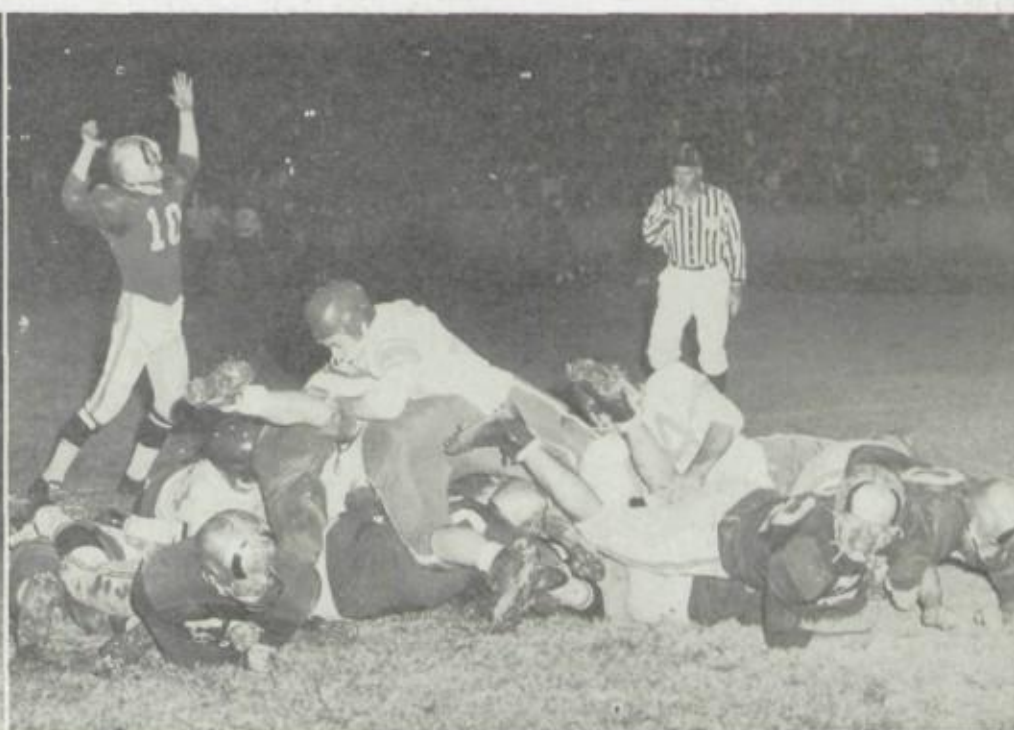

The Rebels boomed back in the second half to pass for two touchdowns. In the final minutes of play with the ball on the Brown 13, the Rebels gambled on a fourth down, and Marietta took over on the 5. With 12 seconds left, Gary Hill tossed a one yard pass to Howard Simpson for the final tally.

Marietta, eyeing her first state football crown, ran into a brick wall in the form of eleven Albany Indians as the rains came down on 15,000 spectators at Grant Field.

A blocked punt on the Devils' 15 yard line set up the first Albany TD, but Marietta charged through to block the PAT attempt. The Indians failed to score on two other threats in the first half, but the Devils were pushed deep into their own territory and were forced to fight for their lives. Marietta set up a drive with key runs by Don Grissom and went to the six yard line before the Indians took over on the downs.

Albany took the third quarter kick-off and marched 73 yards for the second six-pointer of the game. Early in the fourth period Albany again scored on a 45 yard run.

The Devils made one more try at the Indians' goal line after Gary Hill intercepted a pass on the Marietta six yard stripe. The Blue Devils moved the ball to the Albany 32 with a Hill-to-Senter pass before the clock ran out.

## JUNIOR VARSITY SPLITS EVEN

The football B-team, coached by James Ruggles and Frank Giles, split even this year with a game record of 3-3. Co-captains Dickie Watson and Charles Thompson led the squad to a victory of 19-18 over South Cobb in the first game. Cherokee was downed by the Devils in the second game, 6-0. The Devils met defeat in the form of a Campbell team, however, in the third game, losing 0-7. With a new spurt of energy, the Devils beat

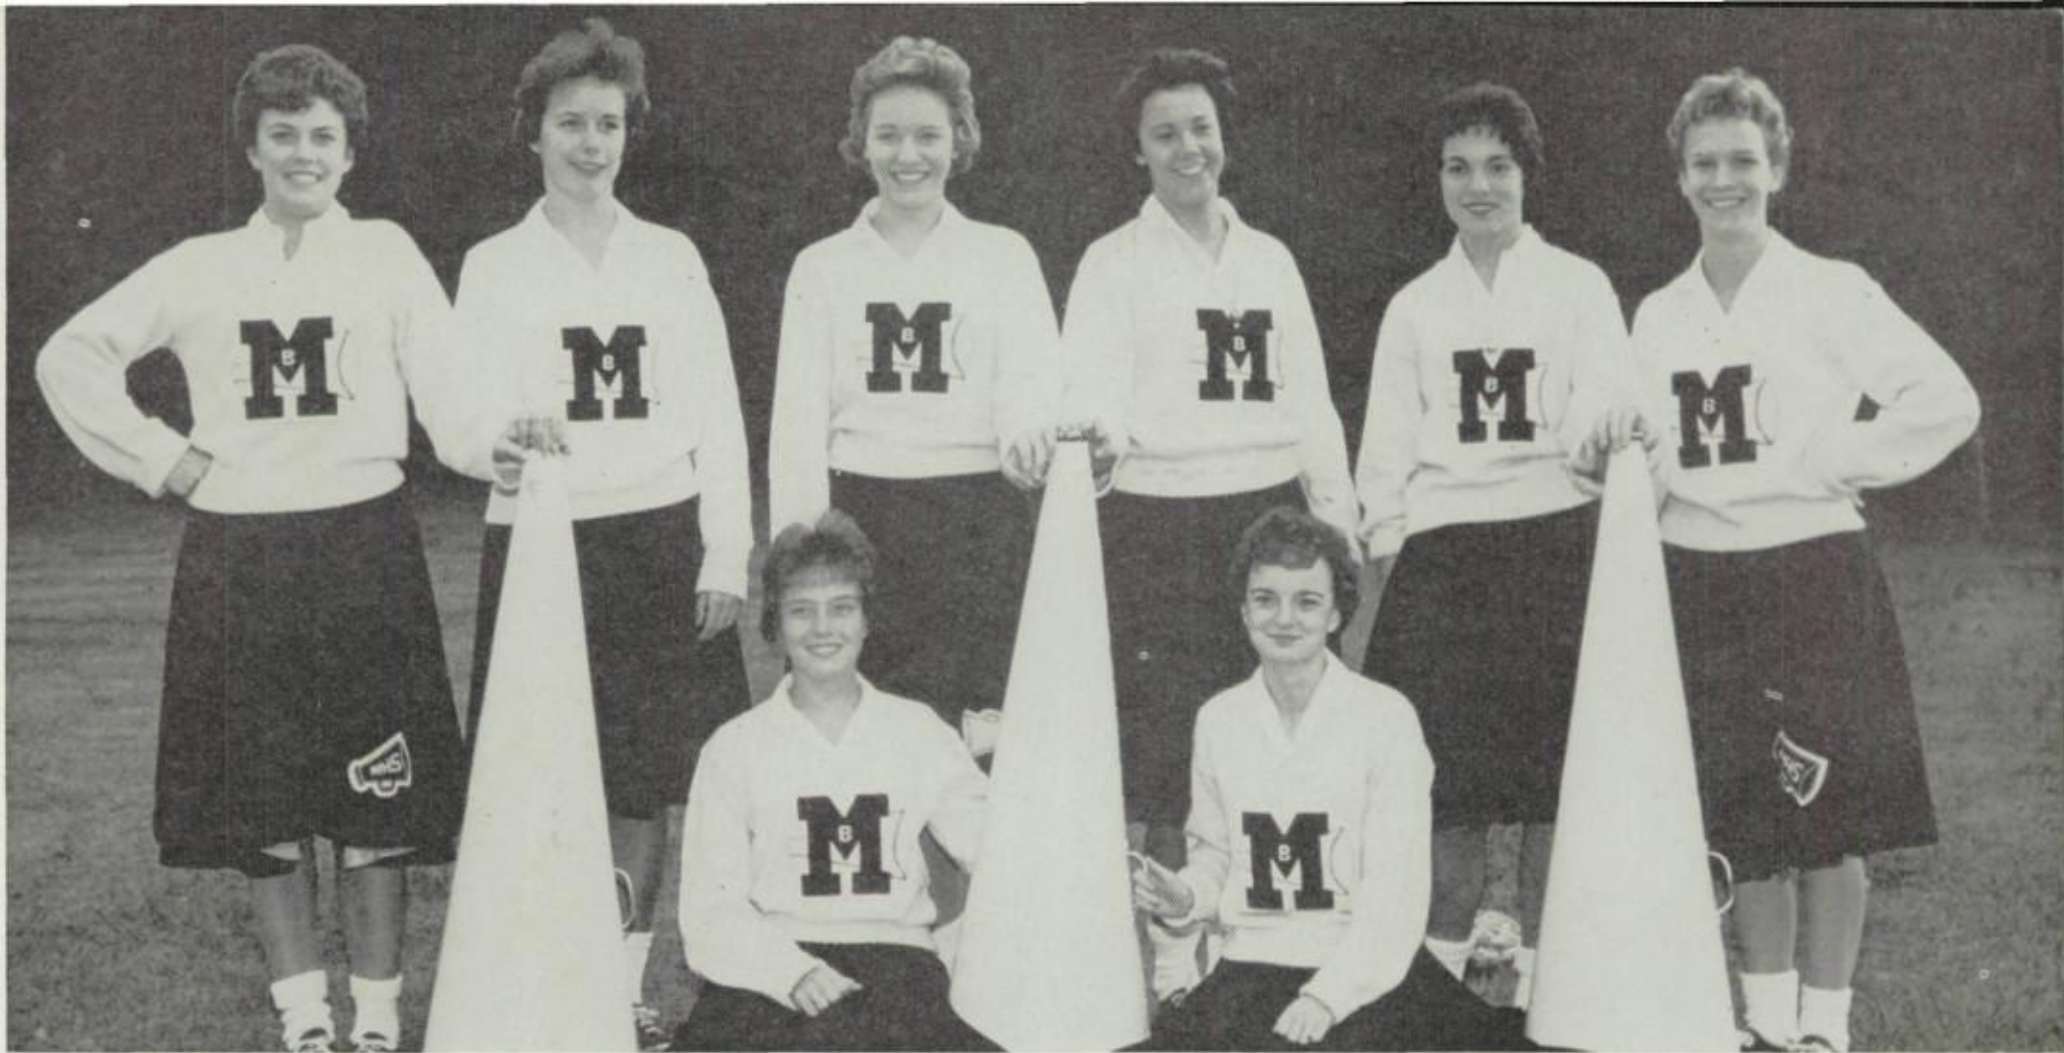

Sprayberry 21-6. Campbell returned to win over Marietta, this time with a 0-6 score. Cherokee, whom the team beat earlier in the year, followed suit and beat our squad, 0-7.

The games and the practice in which the B-team participated this year provided invaluable experience for them. Many boys on the B-team this year will play on the varsity squad next year.

## "B" CHEERLEADERS LEAD JR. DEVILS

Eight B team cheerleaders, co-captained by Joye Lewis and Judy Collins, added spark to the junior varsity football and basketball games. These girls were chosen by the same elimination process as the varsity cheerleaders. They were required to pass an evaluation by their teachers, by a special student-faculty board, and by the student body.

The B team cheerers, representing each of the four

classes at Marietta High, practiced hard and turned in fine performances at all games. Their spirit and enthusiasm did much to boost the morale of the B team players. On special occasions, such as Homecoming, they cheered with the varsity cheerleaders.

The girls gained much valuable experience which will aid them greatly next year.

# B-TEAM GAINS EXPERIENCE

This year the basketball B-Team, trained by Coach J. L. Jones, gained invaluable experience in their practice sessions and games which will aid them when they play for Marietta in future seasons. The team compiled a game record of 10 victories and 5 defeats.

The team's high scorer, Jimmy Vaughn, led the squad to establish their record. Hardest hit of the Devil's opponents were the Burnt Hickory and Cherokee B-teams. Each of these teams were downed twice by the Marietta B-team. Six other teams also met their downfall once each at the hands of the Devil five; these were McEachern, Cassville, Sprayberry, Osborne, North Cobb, and South Cobb.

There were several factors which enabled the boys to develop greater skill in basketball this year. Most important of these was the coaching and patience, needed to make any team good, provided this year by Mr. Jones. The constant and diligent practice by the team has been an aid to their development. The managers, as necessary to the team as the players, aided the team through their work in keeping records and keeping equipment in tip-top condition. All these factors have resulted in assuring Marietta of a supply of competent players for the varsity squad.

Coach J. L. Jones has done a fine job with the "B" boys in the 1959-60 basketball season.

## "B" DEVILETTES TRAIN

The girls' B team, led by Co-Captains Patsy Oliphant and Linda Smith, gained skill and valuable experience from the 1959-60 season. These girls worked hard and compiled a record of four wins against five losses.

In establishing this record the B girls did a fine job at both guard and forward position. Guards Clio Harshbarger, Joyce Edwards, Nancy Slaughter, Rachel Tilley, and Patsy Oliphant were outstanding defensively. On the scoring end of the court, Sandra Barmore, Linda Smith, Betsy Ector, Harriet Tumlin, and Jeannie Hicks each dumped in her share of field goals and foul shots to add to the total number of points. The girls lost a pair of games to Sprayberry, but turned the tables and emerged the winner in their third meeting. The B Devilettes lost to McEachern and Burnt Hickory, but they had wins over McEachern and Campbell.

Lead scorers for the season were Linda Smith, Sandra Barmore, Harriet Tumlin, and Betsy Ector. The entire team profited from these games and will be better next year because of the experience gained in competition. The determination and spirit of the B team girls will win for many of them a place on the next year's varsity team.

## DEVILETTES SUCCESSFUL

The 1959-60 basketball season proved to be a tremendous success for the Blue Devilettes as they rolled up a record of 22 wins against 5 losses. The girls finished the regular season with a 20-3 chart.

During the Christmas Holidays the team participated in the Atlanta Jaycees Invitational Tournament and captured a second place trophy. In the 4AAA Region Tournament at Alexander Memorial Coliseum, the girls won second place and a berth in the State AAA contest. Although the Devilettes were eliminated in the first round by Murphy, their fine sportsmanship and spirit made Marietta proud of them.

Top scoring Dinah Tumlin led the Devilettes with a 31.4 average and a total of 846 for the year. She was first in AAA scoring derby and was named to the All-State team. Gwen Wells (10.3), Mary Ann Holland (5.1), Dottie Diletto, and Sandra Barmore did a fine job for the team.

Maggie Southerland, Gweny Brown, Florence Ringl, and Kent Anderson were outstanding as guards. Edna Tumlin, Bobbi Davison, and Pat Darby did their part when they were needed.

After the season ended the team attended a banquet given by the Board of Education. Mr. Schuler Antley was guest speaker. The outstanding players were honored and the lettermen were awarded sweaters and letters. The co-captains for next year's team, Bobbi Davison and Gwen Wells, were announced.

Of the team's eleven lettermen, seven were seniors, who will be greatly missed next year, but the returning lettermen plus those who gained experience this year make up what promises to be an excellent team for the 1960-61 season.

## DEVILS SHOOT HIGH

The boys' varsity basketball team, by losing only three games while winning eighteen in the regular playing season, made a remarkable record this year. The leadership of the co-captains, Charles Bagby and Howard Simpson, and the tireless coaching of Mr. Anderson enabled the team to achieve this record.

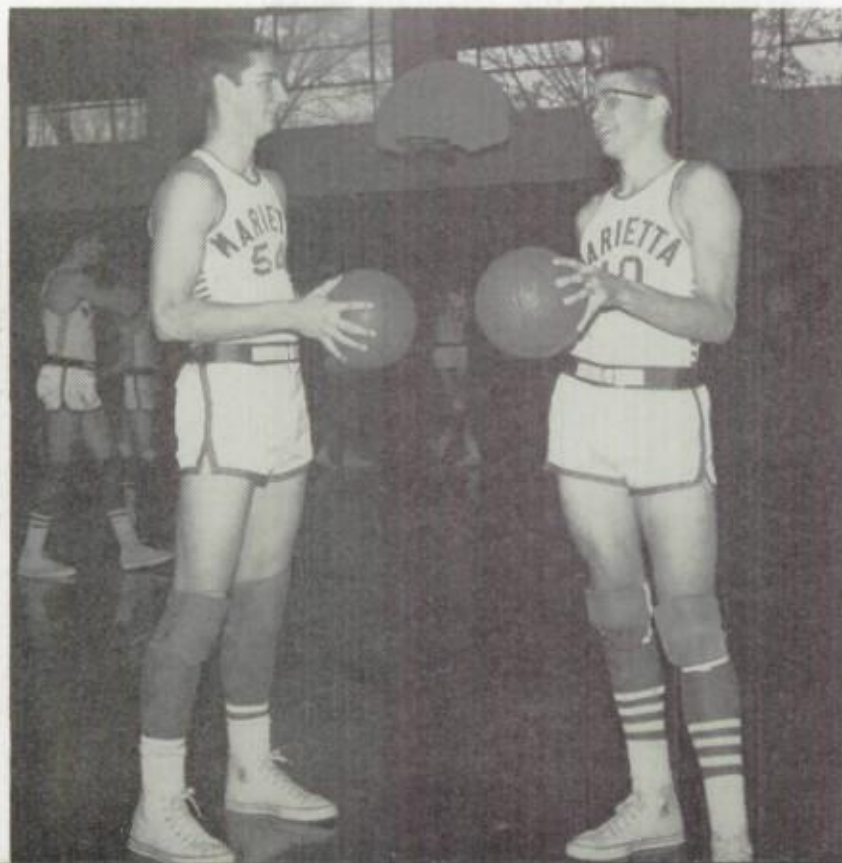

The Devils entered the region tournament and won two out of their three games in that tournament. The squad placed third in the region by beating Druid Hills

and Campbell and by losing to Decatur.

In the state AAA Tournament, the Devils won over Coffee County in the first round, but later lost to Northside in a heartbreaking overtime, and was thereby eliminated from state honors.

The membership of the varsity team was complemented by three underclassmen, all of whom were invaluable to the team's success. These boys will provide Marietta with a competent team next year.

## TEAMS GO

Two of the finest varsity basketball teams Marietta has produced showed why they are so rated by claiming berths in the state clashes. The Devils beat Druid Hill, but suffered a defeat at the hands of Decatur in the semi-finals of the Region 4AAA tournament. The team came back in fine style and whipped old-time rival Campbell for the consolation trophy. In the State AAA contest the Devils won a thriller from Coffee County and, although they played one of their best games, lost to Northside in an overtime.

The Devilettes, who won over Griffin and Cherokee, but lost to Druid Hills in the finals, walked away with the second place trophy. They met powerful Murphy in the first round of the State playoffs and, in spite of a great team effort, were eliminated.

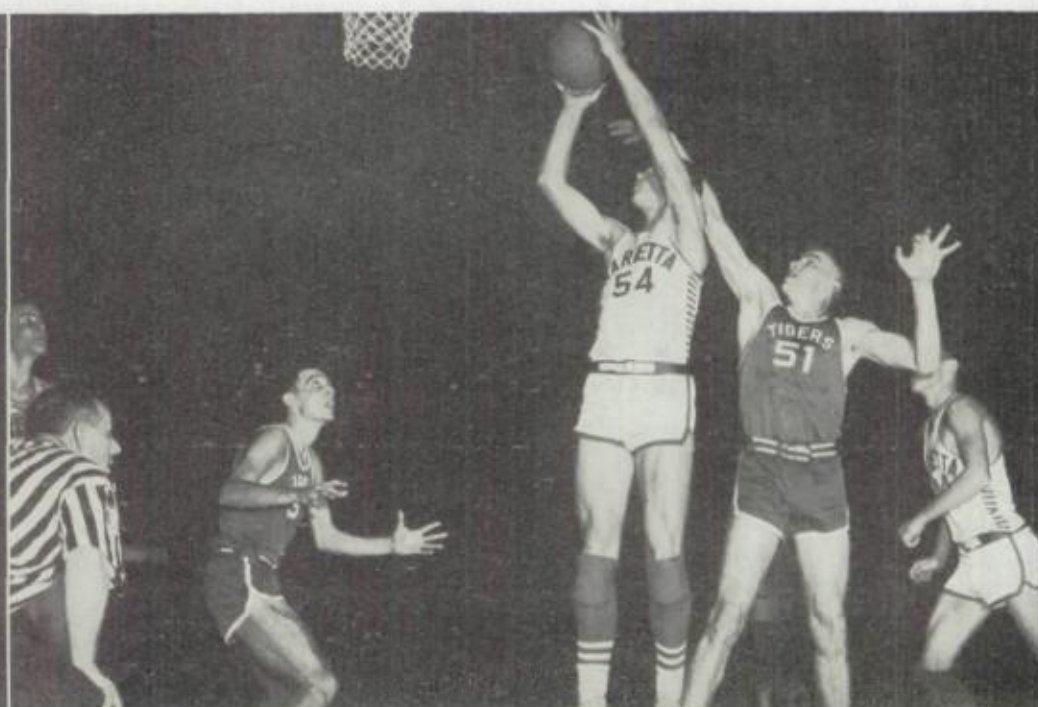

The sportsmanship and ability of both these teams is evident in their fine season records, and in the many trophies which they have been awarded.

## BASEBALL

The Blue Devils baseball team slammed into the 1960 season this spring with determination and spirit. By means of rigorous training, long hours of batting and fielding practice, the team was led to many victories by Coaches Harrison Anderson and Dan Theodocian.

The Marietta 9 established themselves as a hard-hitting, hard-fighting team. In non-regional play the Devils, sparked by Gary Hill's homerun, romped to a 9-6 victory over South Cobb. They fell before Osborne, however, 6-1. Behind the pitching of Charles Bagby, the team won a regional victory over Athens 2-1 with Buddy Black's double in the bottom of the 6th bringing in the winning run. In the return game with Athens the Devils suffered a 12-5 loss at the hands of the Trojans. Charles Bagby's 4-hitter against Cherokee paced the Devils to a 6-2 region win over the Warriors. In the second game with Cherokee the Devils won by a score of 3-1. Undefeated Campbell handed Marietta a region loss as they smashed the Devils with a 13-0 deluge.

The Blue Devils played Sprayberry and North Cobb to round out the season's schedule. The team will be hard hit by graduation but the returning players have gained valuable experience this year and the 1961 team is a promising one.

## TRACKSTERS SPRINT

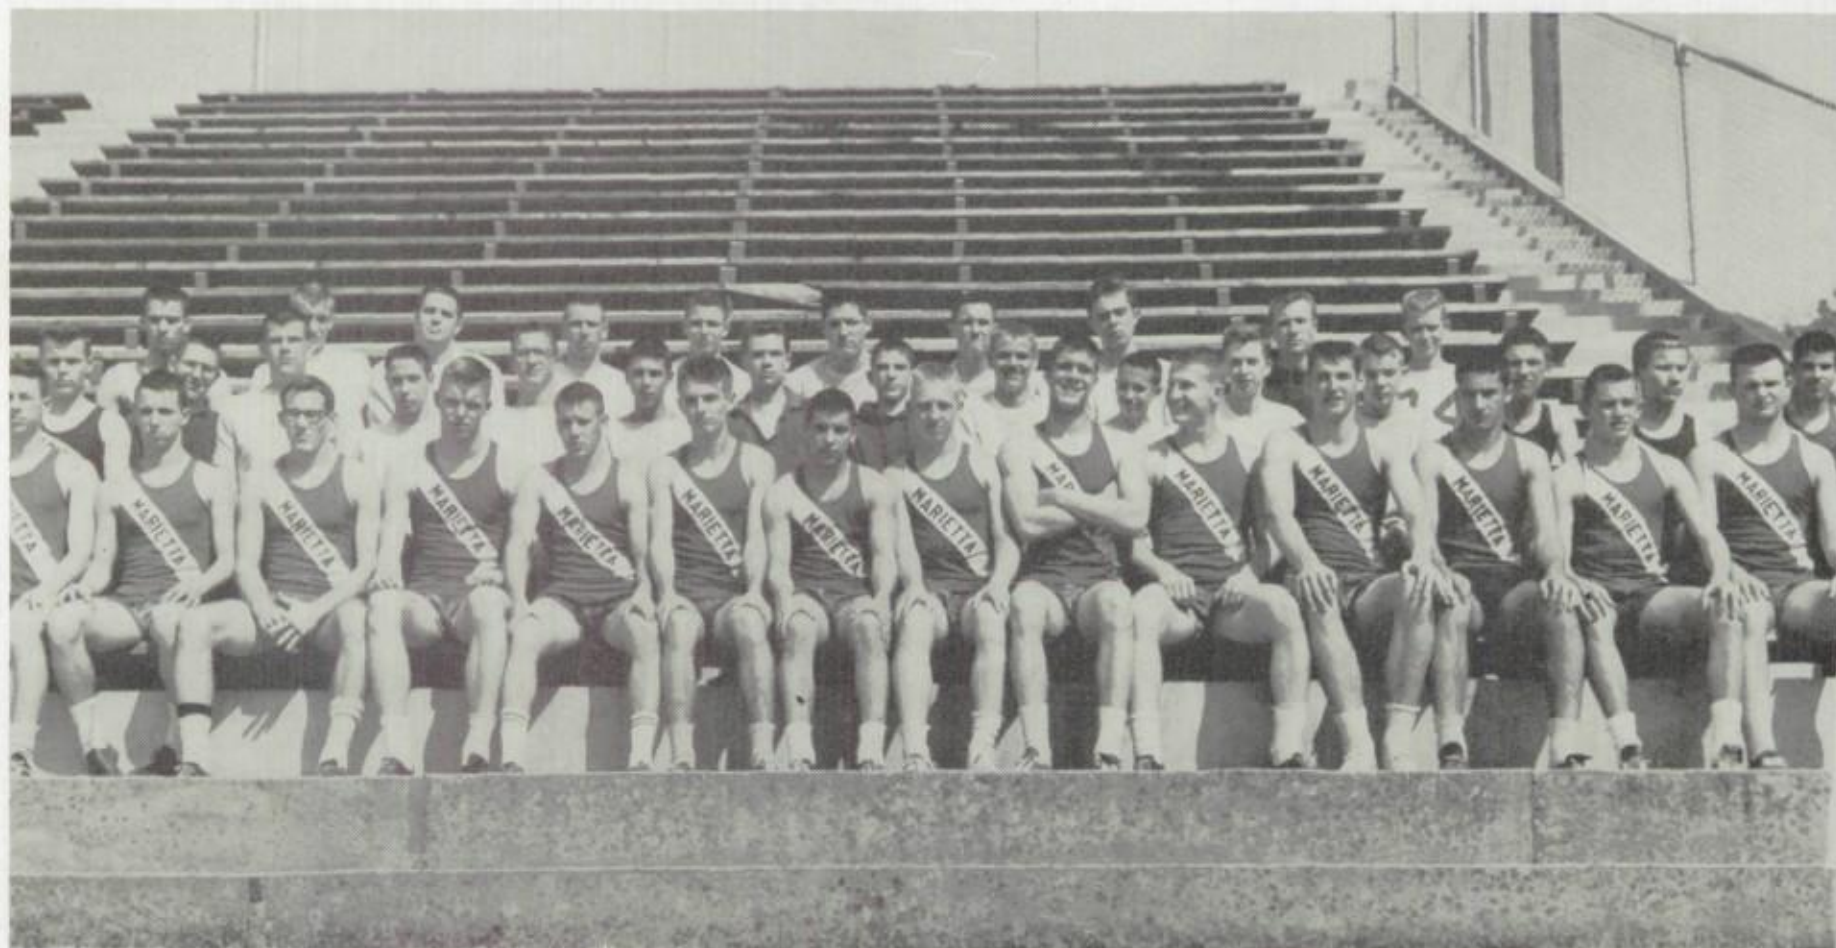

The Marietta track team began practice this year with several returning lettermen to lead the squad. In the first contest, Marietta won a four-way meet with McEachern, Osborne and South Cobb. The Devils participated in the first All-County track meet and came back with third place. Wayne Wallace won first place in the high hurdles and Ken Kirk won a first in the javelin throw. John Sherrod placed second in the 440 yard dash; Wayne Wallace, in low hurdles; Bill Wimpee, in the 220 yard dash; Howard Simpson, in the shot-put; Jack Barfield, pole-vault.

In other meets the Devils placed second in a three-way contest with South Cobb and Osborne, won a meet from Cherokee, and lost to Sandy Springs.

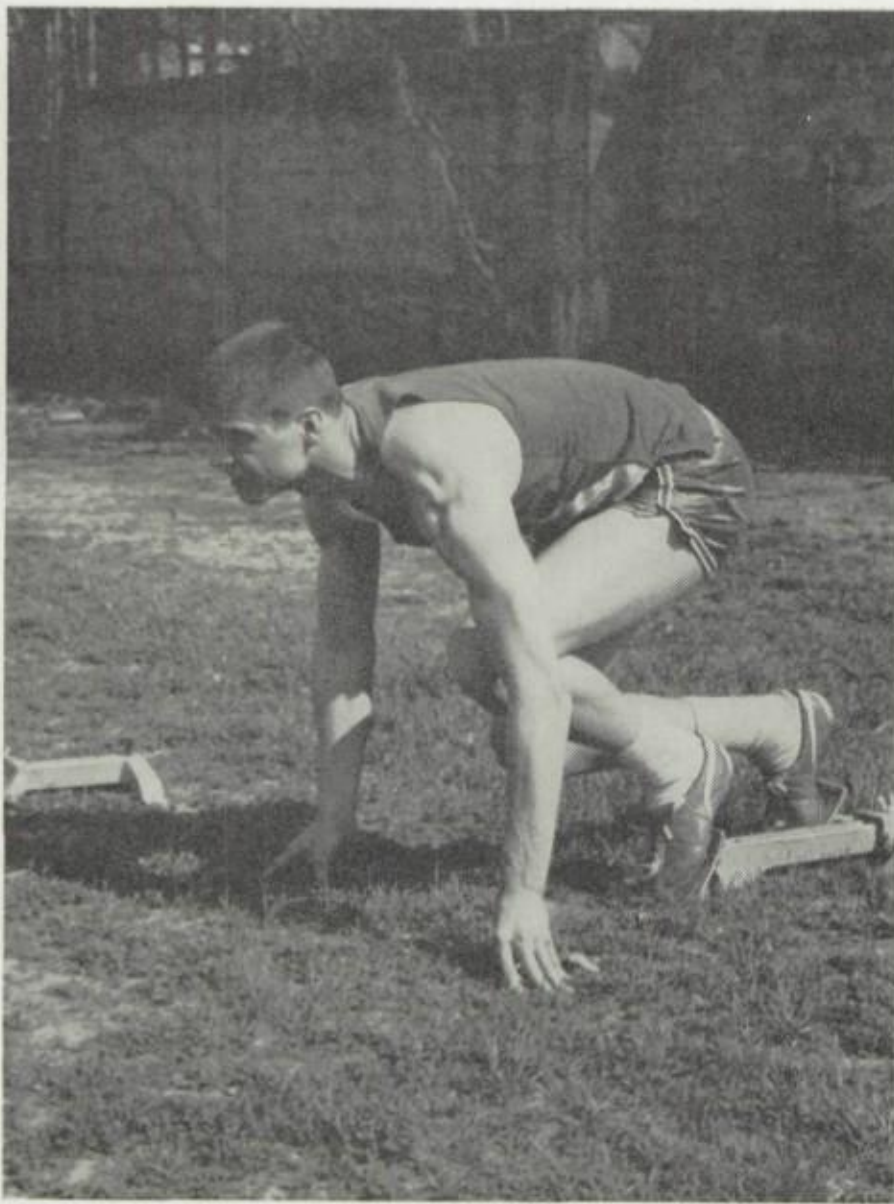

Among the seniors on the team, Ken Kirk, Bill Wimpee, Wayne Wallace, David Norris, Buddy Ball, Ernie Warren, Colquitt Baker, Jack Barfield, and Howard Simpson set high records of Marietta. In the first meet Ken Kirk set a new record for the DeKalb County relays in the javelin throw. Tony Musarra, Bobby Longino, John Sherrod, Dickie Watson sparked the underclassmen.

Coach James Ruggles put the team through their paces in practice to enable them to establish a commendable record this season.

## LINKSMEN DRIVE TO VICTORY

The Marietta golf team began the season at the Marietta Country Club with six men. Four of the players have played on the golf team here before. The players gained their positions by playing games in which they were placed in accordance with their scores. First man was Remley Brumby; second man, Larry Surber; third man, Paul Johnson; fourth man, Charlie Jones; fifth man, John Sprague; and sixth man,

Al Colquitt. Next year's returnees will be Larry Surber and Al Colquitt.

Their coach, French Johnson, scheduled them for matches with Campbell, Druid Hills, Marist, and Griffin. In each match the boys displayed skill and confidence in their games, thus placing themselves in the league with other MHS athletes and establishing a good record for the 1960 season.

Charlie Jones, John Sprague, Remley Brumby, Bubba Johnson, Larry Surber, and Alfred Colquitt make up the 1960 golf team.

## TEAM CHAMPS DEFEND TITLE

The 1960 tennis team was one of the best that Marietta has boasted. The six girls and eight boys composing the team are recognized in this region as being capable and determined players.

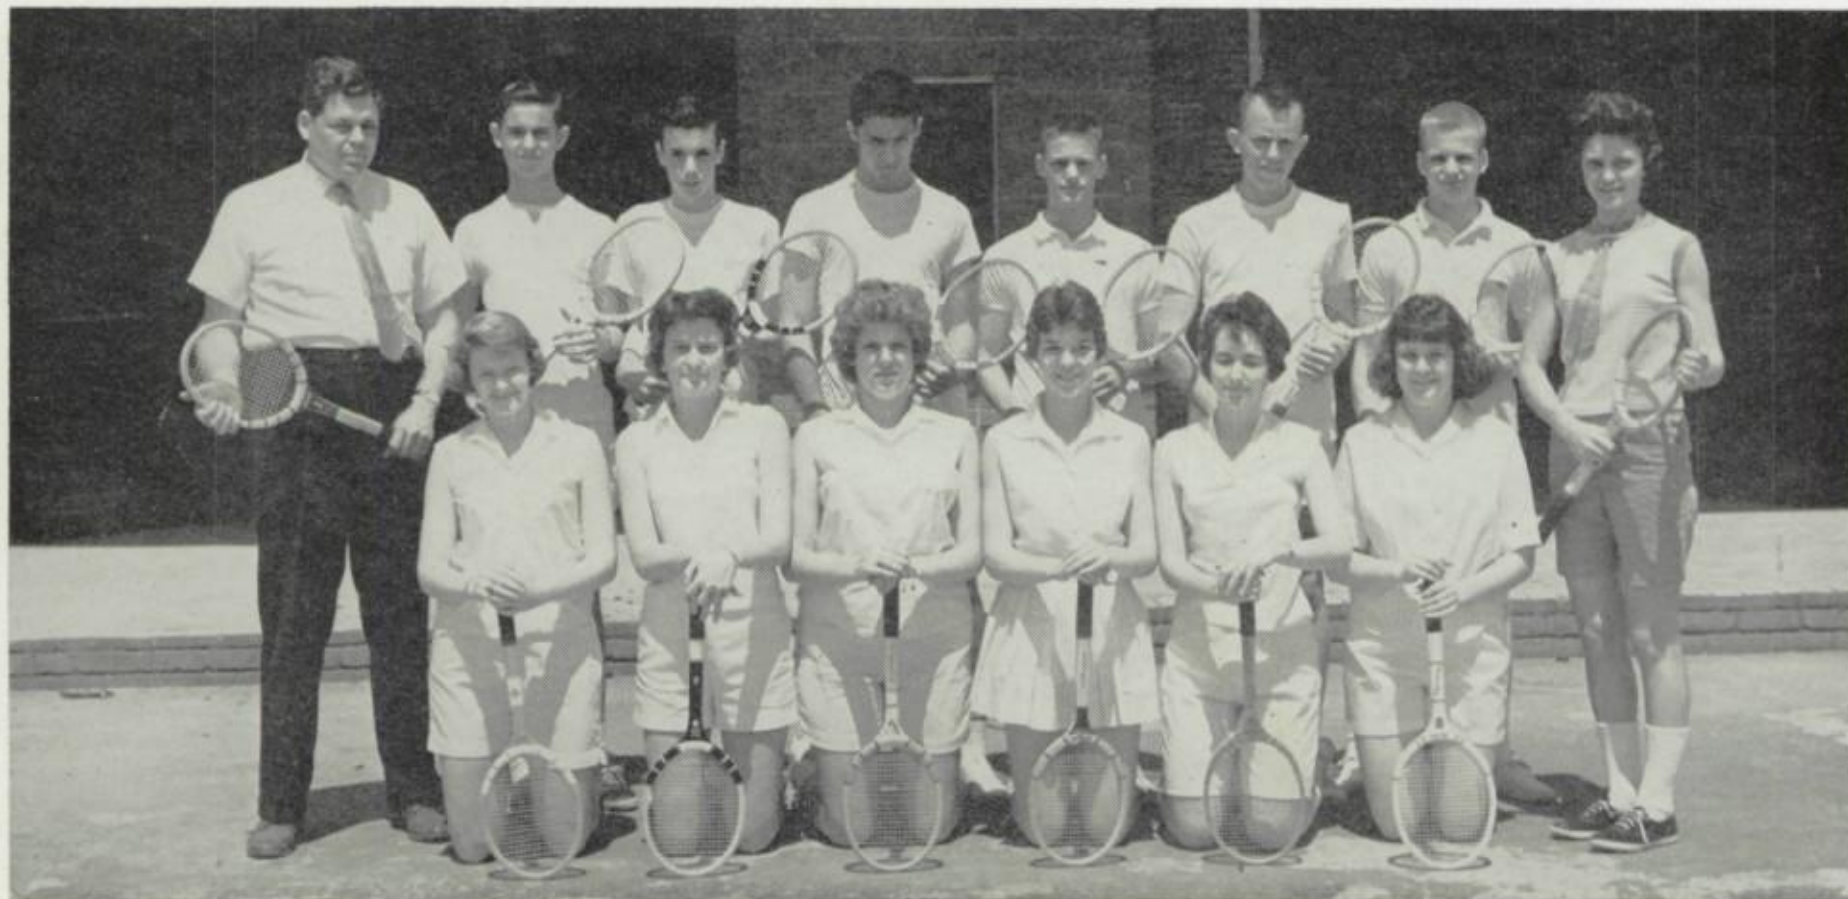

In the 1959 season the girls compiled a winning record. Dinah Tumlin and Kent Anderson were undefeated as a doubles team and won the State AAA Crown, which they defended this year. Maggie

Southerland won runner-up in region singles.

The boys lost several players last year, but were determined to compensate for this loss. Denny Chunn, Tommy Clark, and Jimmy Slaughter led the 1960 team.

The team, coached by Mrs. Miriam Hipsher and E. M. Funderburk, ended the season with a good record after playing matches with Headland, Decatur, Griffin, and Sprayberry.

Certainly, the most important phase of life at Marietta High School lies in your classrooms. It is here that you receive your academic instruction and personal guidance. It is here that you learn the discipline of day to day contact with different types of people.

# SENIORS LEAD

Mrs. Sherman Lee, Jr., senior class advisor, has been a great inspiration to all of us. Linda Bates seeks her guidance as to what she should do after graduation.

"Well, we've finally made it!" This was a familiar exclamation among the seniors at MHS this year. But in our innermost thoughts we knew we would miss the routine of making English book reports, building physics projects, and working those algebra problems.

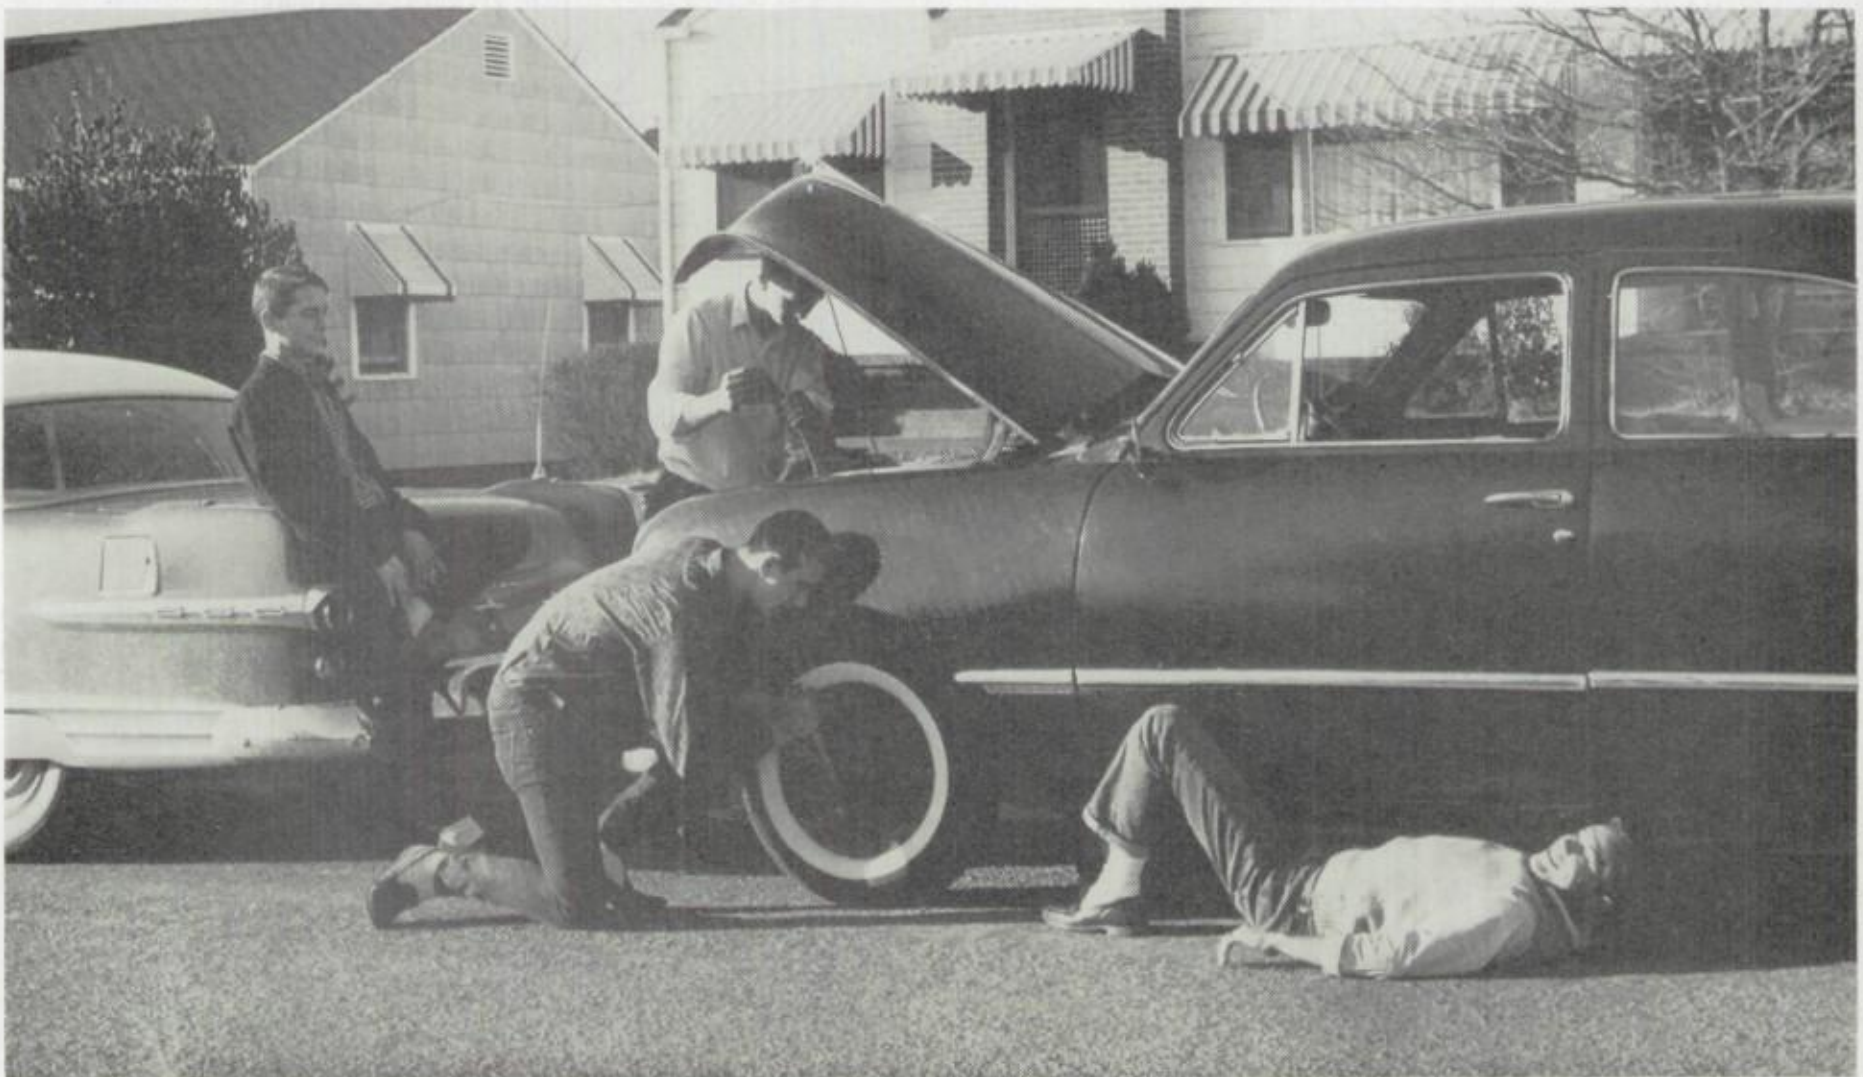

We, the Senior Class, have played a vital part in the athletic roles. Fifteen senior boys complemented our North Georgia football team. Nine boys and seven girls of the senior class helped make up the Region championship basketball team. Four senior girls were outstanding tennis players this year and many boys excelled in the spring sports. Five varsity and three B-team cheerleaders of the senior class helped yell our teams to victory.

In the scholastic field, many have excelled. Sally Ector, for exceptional English work in Georgia and her outstanding work with the **Pitchfork**; Helen Lamar, for her leadership in the work of the **Olympian**; and Jill Malnoske, Dottie Dunn, Willie Johnson, Brad Martin, Sally Ector, and Bill Bennett, as finalist in the National Merit Scholarship Program.

As we walk under the arches to receive our diplomas and to meet the many new challenges which face us, we will always remember our teachers for their sincere interest and devoted guidance through all our high school years.

Our main hope for the future is that Marietta High School will be as proud of us as its alumni as we are to be its graduates of 1960.

A typical scene with the average MHS senior boy is that of tinkering with his automobile. Many weekends or afternoons are spent putting in transmissions, carburetors, or pistons. William Arnold laughs frantically as James Caudell, Melvyn Denard, and Jerry Millwood struggle to get their car fixed for those special dates Friday night.

No, these boys are not Beethoven composers. But they are the mountain boys who came from the country to sing a song about Mr. Senior Class, Bill Campbell. The four boys composed a song especially for Billy which they called "A Song About Billy C." Ronnie Myrick, G. Hogan, David Norris, and Danny Hardin sing in complete harmony (?) for their candidate. Diane Golden, Billy's campaign manager, looks on as Billy and Marcia shake with laughter. Wouldn't anyone like to audition these boys?

# JUNIORS EXCEL

The Junior Class is a transition between the higher and the lower phases of education. This class is faced with the frustrating problem of becoming adults in a world of children. This transition is accomplished by the undertaking of more and harder problems, in and out of school.

In school, the courses are beginning to show their own distinct subjects—Classical course requires two languages, Latin and French, as well as the course in geometry. A Scientific course centers around chemistry and geometry, while the Commercial course includes Typing II, Shorthand I, and Bookkeeping. Besides the subjects included in the individual courses, all Juniors are required to take English, which this year emphasizes composition and American literature and memorizing lines and lines of poetry. For an activity credit, Juniors may elect either music, band, or physical education.

Out of school, this year's Juniors were certainly not without extracurricular activities. Representing their class in the Homecoming program were Barbara Davison and Carol Noble, escorted by Tony Gregory and Mike Martin, respectively. One of the other main

President and Vice-President of the Junior class are Lloyd Shankles and Tony Musarra, respectively.

# AND PROGRESS

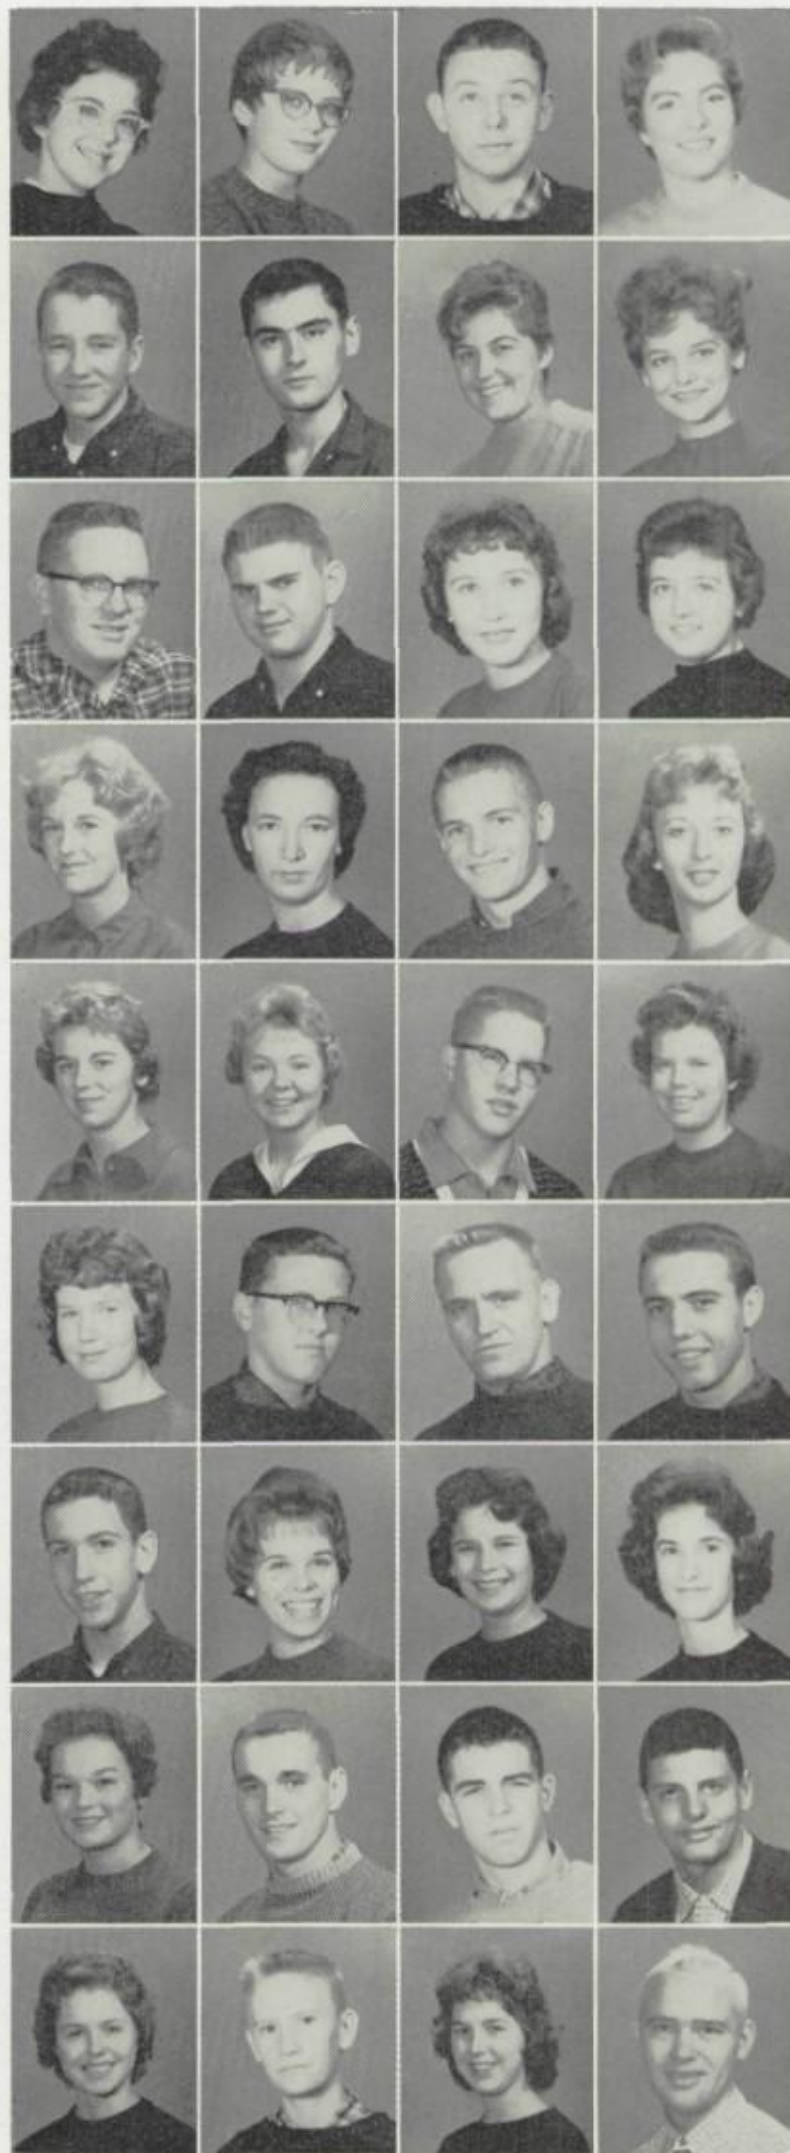

events of the year was the Valentine Ball. Candidates for King and Queen from the Junior class were Dottie Golden and Mike Martin.

Clubs, too, take up much of the so-called leisure time. Till Burge in Student Council, Jimmy Carter and Sue Roberts in Y Clubs, and Lloyd Shankles, Tony Musarra, Hugh Durden, and Monty Calhoun in class leadership were outstanding this year. Kyle Palmer was the first Junior Trainee on the **Olympian** Staff. Till Burge, Marilyn Mayes, Greta Little, Sue Roberts, Lynne Owsley, Barbara Smith, and Ginger Abernathy served on the **Pitchfork** Staff.

Cheerleaders from the Junior class were Linda Smith, Alicia Clotfelter, Patty Boswell, and Martha Hudgins—Varsity squad; Joye Lewis and Carol Noble—B-Team. Lloyd Shankles, Eddie Goscha, Tony Musarra, Doug Senter, Terry Fulmer, Judy Love, Mary Ann Holland, Gwen Wells, Barbara Davison, and Bill Wimer excelled in sports.

It is impossible to name everyone in the Junior class who contributed to their class and were outstanding during the year. Almost everyone was active and deserved special recognition.

Secretary and Treasurer of the Junior class are Hugh Durden and Monty Calhoun, respectively.

# SOPHOMORES

A notch higher on the Marietta High ladder, the Sophomores began the school year by eagerly entering into school activities. First on the agenda was the election of class officers for the new year. Rusty Reeves was elected President; Carol Joiner, Vice-President; Jal Warme, Secretary; and Horace Armfield, Treasurer. Getting down to books and homework seemed a grueling task, but the return to more friends and activities made it bearable.

Sports began in mid-September and Sophomores participated by contributing three Varsity football players and fourteen members of the B-team. Two enthusiastic cheerleaders were added to the squad in the form of Clio Harshbarger and Carol Joiner, who helped cheer their team to victory. At the annual Homecoming Becky Brannen and her escort Joe Chastain and Carol White with Charles Thompson represented the Sophomore class and helped lead off the dance.

As Thanksgiving neared, football competition continued at a faster pace and basketball began. Three Sophomore girls participated in the Varsity sport while eight others played on the B-team.

Christmas holidays were happily filled with dances and get-togethers of all sorts. Bowling and eating pizza gained in popularity with everyone, and then, vaca-

tion over, students reluctantly returned to class and began preparation for semester exams.

With the Valentine Ball in February, the Sophomores chose their representatives, Mr. and Miss Sophomore Class, Joe Chastain and Becky Durden. Campaign managers Carolyn Harmon and Danny Hill each planned a skit representing their candidates and presented it in the skit competition at the dance.

Then the unpredictable happened. March came in like a lion with snow and ice which closed school for three days. Students, bundled up like mummies, carrying trays, boards, and various other equipment literally headed for the hills. And then it was back to the books and the disrupted routine was back to normal.

Spring dances followed in rapid succession with semi-formals and novelties sponsored by the social clubs. This year French and Western atmospheres dominated these affairs and helped lend a sparkle to the new season. Easter sped by and it was May with sun and sun bathers. Everyone headed toward the beach for the week end and suddenly it was over. Another year gone by and another fun-filled summer waiting ahead. And this year's Sophomores are looking forward to their upper class standing as big thinking Juniors.

# FRESHMAN CLASS

The Freshman Class, the largest in the school, was a vital part of Marietta High School this year. Most freshmen had the experience of changing classes last year, therefore their attention was centered on their new teachers and new subjects and on really becoming a part of the school by participating in various activities.

All freshmen were required to take spelling, English I, algebra I, general science, civics, vocational guidance, and physical education. The girls took home economics while the boys took shop. With six full periods of study as well as spelling, would they ever find time for extracurricular activities?

Of course they found time for extracurricular activities. They were represented on the varsity and the "B" football teams, on the boys' "B" basketball team, and on the girls' varsity and "B" basketball teams. The Band and the Choral Departments, both of which presented extracurricular programs, occupied much of their time. They were represented in the twirling

corps, Hi-Y, Tri-Hi-Y, Pep Club, and Future Homemakers Club.

They contributed to the activities of the entire school by electing fellow students to various positions. They elected as their class officers Bill Hawthorne, president; Linda Mathis, vice president; Sandra Little, secretary; and Ralph Kellett, treasurer. They elected Nanci Ham and Linda Mathis to represent them in the Homecoming Court. They elected Ruthie Crawford and Dick Watson as their candidates for Valentine Queen and King and were quite pleased when Dick was crowned King.

Toward the end of the year they were given, for the first time, the privilege of choosing their course of study for the coming year. They chose either a scientific course, a classical course, or a commercial course.

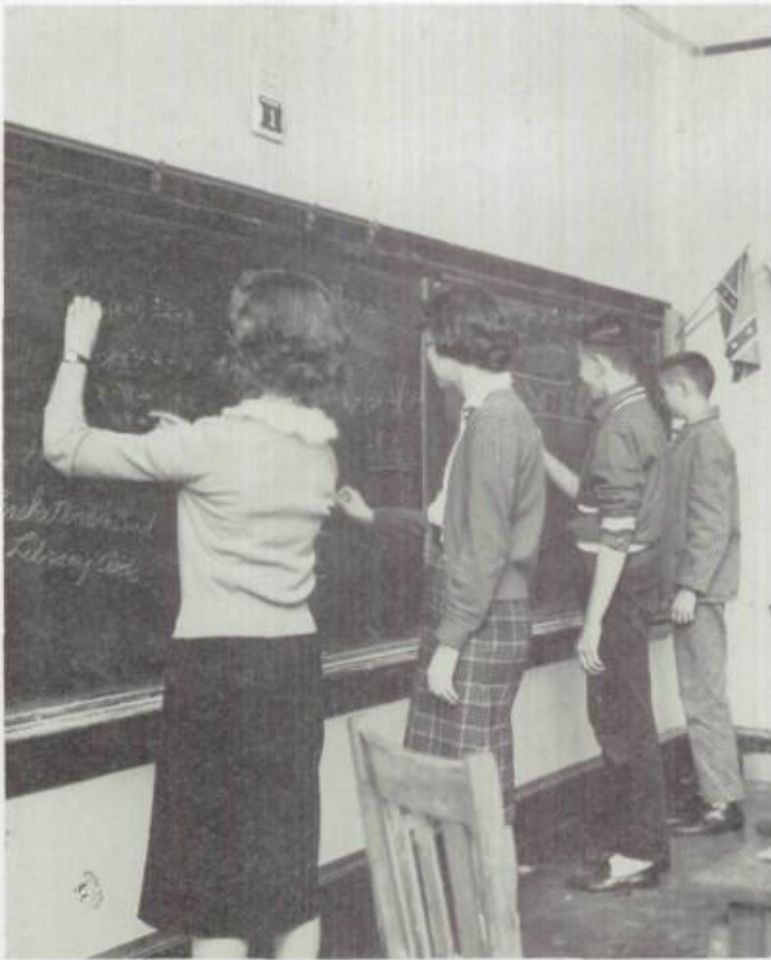

Then came the final exams. After much study and worry, they tackled these "beasts" and defeated them. They were ready to advance to Sophomore status.
